

MASTER BENCH BLOCK PRO KIT - REAL AVID MASTER BENCH BLOCK PRO KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Blocks](#)

The Master Bench Block Pro-Kit is a comprehensive pin punching solution that simplifies your work. This all-in-one set includes 18 hardened steel punches and an ergonomic hammer with interchangeable heads stored within a spacious bench block. With 14 strategically placed holes, 2 grooves and a larger design, precise pin alignment is made easy for all firearms. The three elongated slots quickly align with compact size to full size pistols. To help secure parts, frames or barrels firmly in place, two Smart-Block Clamps have been incorporated into the block, allowing the end user to focus purely on the task at hand. When the work is done, store all your tools into the integrated storage tray for an easy storage solution.

Master Bench Block Pro Kit Safety Instructions

Introduction

Thank you for choosing the Master Bench Block Pro Kit. This comprehensive pin punching solution is designed to simplify your work with firearms. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Master Bench Block Pro Kit in a wellventilated area and away from flammable materials.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the kit for any damage before use. Do not use any damaged components.
- Use the product only for its intended purpose as described in the manual.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the kit.
- Be aware of your surroundings and ensure that no one is in the vicinity when using the kit.

Specific Safety Precautions for Use

- When using punches, ensure they are securely placed in the correct hole to avoid slippage.
- Always use the ergonomic hammer with the appropriate interchangeable head for the task at hand.
- Do not force any components together; if they do not fit, check for misalignment or obstructions.
- Secure parts, frames, or barrels firmly using the SmartBlock Clamps before beginning work.
- Avoid placing your hands or fingers in the path of the hammer or punch to prevent injury.
- Do not leave the kit unattended while in use, and ensure that all components are stored properly after use.

Instructions for Installation and Usage

1. Setup:

- Place the Master Bench Block Pro Kit on a stable, flat surface.
- Ensure that all components are included and undamaged.

2. Using the Punches:

- Select the appropriate hardened steel punch for the task.
- Insert the punch into one of the 14 strategically placed holes in the bench block.
- Align the firearm part with the punch.

3. Using the Hammer:

- Choose the correct interchangeable head for the hammer.
- Hold the hammer firmly and strike the punch gently to avoid damaging components.

4. Securing Parts:

- Use the SmartBlock Clamps to hold parts, frames, or barrels in place.
- Adjust the clamps as necessary to ensure a secure fit.

5. Storage:

- After completing your work, clean all tools and components.
- Store all items in the integrated storage tray for easy access and organization.

Disposal Instructions

- Dispose of any damaged or unusable components according to local regulations.
- Do not dispose of the kit in regular household waste. Check for recycling options in your area.
- Ensure that all hazardous materials are disposed of in a safe and environmentally friendly manner.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging. You can also check for updates on product recalls and safety information on the EU's Safety Gate platform.

By following these safety instructions, you will enhance your experience with the Master Bench Block Pro Kit while ensuring your safety and the safety of those around you. Thank you for your attention to these important guidelines.
