ACCUPUNCH ROLL PIN PUNCH SET Safety Instruction Guide

Introduction

Thank you for choosing the ACCUPUNCH Roll Pin Punch Set by REAL AVID. This guide provides essential safety information and instructions to ensure the safe and effective use of your punch set. Please read this guide thoroughly before use.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the punch set out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the punches.
- Inspect the punches for damage before each use. Do not use damaged tools.
- Ensure a stable work surface when using the punch set to prevent accidents.
- Follow all local laws and regulations regarding firearms and tools.

Specific Safety Precautions for Use

- Use only the appropriate size punch for the roll pin you are working with to avoid damage or injury.
- Do not use excessive force when driving pins; this can cause the tool to slip and lead to injury.
- Avoid using the punches for purposes other than intended; misuse can lead to accidents.
- Ensure that your hands and the work area are clean and free from oil or debris to maintain grip and control.
- Store the punch set in a dry place to prevent rust and corrosion.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before starting your project.
- Ensure the workspace is welllit and organized.

2. Selecting the Right Punch

- Identify the size of the roll pin you will be working with.
- Choose the corresponding punch from the set.

3. Using the Punch

- Position the punch over the roll pin to be driven.
- Hold the punch firmly with one hand while using a hammer with the other hand to strike the punch.
- Apply steady, controlled force; avoid striking too hard to prevent tool slippage.

4. PostUse Care

- After use, clean the punches to remove debris and oil.
- Store the punch set in its original case or a designated tool storage area to prevent damage.

Disposal Instructions

- Dispose of any damaged or wornout punches in accordance with local regulations.
- Recycle materials when possible, following your local recycling guidelines.
