Safety Instruction Guide for the Real Avid Master Hammer & AccuPunch Standard Pin Punch Set

Introduction

Thank you for choosing the Real Avid Master Hammer & AccuPunch Standard Pin Punch Set. This toolkit is designed for firearm assembly, disassembly, and maintenance. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the tools in accordance with the intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Inspect tools for any damage before use. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tools.
- Store tools in a dry and secure location when not in use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hammer Safety:**

- Ensure the hammer is securely held and not misaligned during use.
- Do not use the hammer on materials that could shatter or break.

- **Pin Punch Safety:**

- Use the correct size punch for the pin you are working with to avoid damage.
- Always align the punch properly with the pin to prevent slipping.

- **Magnetic Pin Starter Safety:**

- Keep fingers clear of the pin alignment tool to avoid pinching or injury.
- Ensure the tool is clean and free of debris before use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools from the set.
- Ensure your work area is clean and welllit.

2. Using the Master Hammer:

- Select the appropriate hammer head for your task.
- Securely attach the hammer head to the handle.
- Hold the hammer firmly and strike with controlled force.

3. Using the AccuPunch Standard Pin Punches:

- Choose the correct size punch for the pin.
- Position the punch directly over the pin.
- Strike the punch with the hammer to drive the pin.

4. Using the Magnetic Pin Starter:

- Place the pin in the magnetic holder.
- Align the starter tool with the hole where the pin will be inserted.
- Gently tap the starter to begin inserting the pin.

Disposal Instructions

- Dispose of tools in accordance with local regulations.
- Do not dispose of tools in regular household waste.
- Consider recycling options where available.
