# Safety Instruction Guide for the Pistol Gun Tool Edge

## Introduction

Thank you for choosing the Pistol Gun Tool Edge by REAL AVID. This tactical knife/multitool is designed specifically for pistol owners to ensure your firearm remains operational in any situation. This guide provides essential safety information to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the Pistol Gun Tool Edge according to the manufacturer's instructions.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use to ensure it is in good working condition.
- Be aware of your surroundings when using the tool to avoid accidents.
- Do not use the tool for purposes other than those intended.
- Report any unsafe product incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Knife Blade Safety:

- Always handle the Wharncliffe knife blade with care. Keep the blade closed when not in use.
- Do not attempt to cut through materials that are too tough for the blade.

### • Tool Components:

- Ensure all components, such as the laser sight/trigger adjustment hex keys, are securely locked in place before use.
- Avoid using excessive force when utilizing the metal file or nut wrench.

### • Personal Protective Equipment:

- Wear appropriate personal protective equipment, such as gloves and safety glasses, when using the tool.

### • Maintenance:

- Clean the tool after each use to maintain its functionality and safety.
- Store the tool in a dry place to prevent rust and corrosion.

## Instructions for Installation and Usage

### 1. Initial Inspection:

- Before using the tool, inspect all components for damage or wear.
- Ensure that the knife blade is sharp and properly locked in place.

### 2. Using the Knife Blade:

- To open the knife blade, locate the release mechanism and carefully pull it open.

- Always cut away from your body and keep your fingers clear of the blade's path.

### **3. Using Hex Keys and Other Components:**

- Choose the appropriate hex key for your firearm's adjustment needs.
- Insert the hex key into the adjustment point and turn gently to avoid stripping the screw.

### **4. Cleaning and Maintenance:**

- After each use, wipe the tool with a clean, dry cloth.
- For deeper cleaning, use a mild detergent and water, ensuring all parts are thoroughly dried afterward.

### **5. Storing the Tool:**

- Store the Pistol Gun Tool Edge in a secure location, preferably in a protective case or pouch.
- Ensure the knife blade is closed before storing to prevent accidental cuts.

## **Disposal Instructions**

- Dispose of the Pistol Gun Tool Edge in accordance with local regulations.
- If the tool is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential harm to others.
- Recycle components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Pistol Gun Tool Edge, please refer to the manufacturer's website or customer support resources. It is essential to keep the product's documentation and safety information accessible for future reference.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your tools are our top priorities. Enjoy using your Pistol Gun Tool Edge responsibly and effectively.
