

# MUZZLOK® 5.56X45MM NATO FLASH HIDER - FAXON FIREARMS

## MUZZLOK 5.56X45 NATO PORTED FLASH HIDER NITRIDE BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Faxon's invented "MuzzLok" feature on this device allows for easy timing and installation of your device without the need for a crush washer or shims. By using the extension nut to adjust the length of the device, you can adjust the rotational timing. It is recommended that you tighten the device to the recommended torque specification of 20-25 foot pounds. By not having to overcome the resistance of the crush washer, this allows devices to be removed and reinstalled in the field if desired. FEATURES No crush washer needed. Attach and remove in the field. Time your muzzle device quickly and easily. SPECS Caliber: 5.56 .23 lbs 2.75" tall .875" in diameter Note: Cannot be shipped to CA

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the MUZZLOK® 5.56X45MM NATO Flash Hider from Faxon Firearms. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

### General Safety Guidelines

To ensure safe use of the MUZZLOK® Flash Hider, please follow these guidelines:

- Always handle firearms and accessories with care.
- Ensure you are familiar with the operation of your firearm before installing or using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the flash hider for any signs of wear or damage.
- Use only with firearms that are compatible with the 5.56 caliber.
- Always follow local laws and regulations regarding firearm accessories.

### Specific Safety Precautions for Use

When using the MUZZLOK® Flash Hider, observe the following precautions:

- Ensure the firearm is unloaded before installation or removal of the flash hider.
- Avoid any modifications to the flash hider that are not approved by the manufacturer.
- Do not attempt to use the flash hider if it appears to be damaged or defective.
- Be aware of the potential for muzzle rise and flash when firing. Always aim in a safe direction.
- If you experience any malfunctions while using the flash hider, cease use immediately and consult a qualified gunsmith.

### Instructions for Installation and Usage

Follow these steps for the safe installation and usage of the MUZZLOK® Flash Hider:

#### Installation Steps

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Device:** If applicable, remove any existing muzzle device or flash hider.
3. **Clean Threads:** Ensure the threads on the muzzle are clean and free from debris.
4. **Install Flash Hider:**
  - Align the flash hider with the muzzle threads.
  - Handtighten the flash hider onto the muzzle.
  - Use the extension nut to adjust the length and rotational timing as needed.
5. **Torque Specification:** Tighten the flash hider to a torque specification of 2025 foot pounds using a suitable torque wrench.
6. **Final Check:** Verify that the flash hider is secure and properly aligned.

#### Usage Guidelines

- Once installed, the flash hider can be used with your firearm as intended.
- Monitor the performance of the flash hider during use and inspect it regularly.
- If you need to remove the flash hider, follow the installation steps in reverse.

## **Disposal Instructions**

When the MUZZLOK® Flash Hider reaches the end of its life cycle or if it is damaged beyond repair, dispose of it responsibly:

- Do not dispose of the flash hider in regular household waste.
- Check local regulations for proper disposal of firearm accessories.
- Consider recycling the metal components if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MUZZLOK® Flash Hider, please refer to the manufacturer's website or customer support resources. Always ensure you have the latest information and guidelines regarding your product.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your MUZZLOK® 5.56X45MM NATO Flash Hider. Thank you for prioritizing safety in your shooting activities.
