A2 9MM LUGER FLASH HIDER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Faxon 9mm A2 Flash Hider. This product is designed to enhance your shooting experience by reducing flash and muzzle signature. To ensure safe and effective use, please read this safety instruction guide carefully. It is essential to follow all guidelines to promote safety and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the flash hider is compatible with your specific firearm model before installation.
- Keep the flash hider and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the flash hider for signs of wear or damage; replace if necessary.
- Follow all local laws and regulations regarding the use and ownership of firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the flash hider.
- Use proper tools and techniques during installation to avoid injury.
- Do not exceed the recommended torque specifications during installation; overtightening can damage the threads.
- Wear appropriate eye and ear protection when using the firearm equipped with the flash hider.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Do not modify the flash hider or use it in a manner not intended by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather the necessary tools, including a wrench or appropriate tool for installation.

2. Installation:

- Align the flash hider with the threaded muzzle of your firearm.
- Handtighten the flash hider onto the threads until snug.
- Use a wrench to tighten the flash hider to the manufacturer's recommended torque specifications. Avoid overtightening.
- Install the included MilSpec crush washer to ensure a secure fit.

3. Usage:

- Load your firearm according to the manufacturer's instructions.
- Take aim and ensure a safe backdrop before firing.
- After use, inspect the flash hider for any signs of damage or excessive wear.

4. PostUse:

- Clean the flash hider according to the manufacturer's recommendations.
- Store the firearm and flash hider in a secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the flash hider in accordance with local regulations regarding metal and firearm accessory disposal.
- Do not dispose of the flash hider in regular household waste.
- If the flash hider is damaged or no longer usable, contact local authorities for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Faxon 9mm A2 Flash Hider, please reach out to your local dealer or the manufacturer's customer service. Ensure you have your product details on hand for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your Faxon 9mm A2 Flash Hider. Thank you for prioritizing safety in all your shooting activities.
