# Safety Instruction Guide for BLACK POWDER DOUBLE CAVITY MOLDS LEE PRECISION 45 CAL.

## Introduction

Thank you for choosing the BLACK POWDER DOUBLE CAVITY MOLDS LEE PRECISION 45 CAL. This product is designed for use in crafting ammunition and requires careful handling to ensure safety. This guide provides comprehensive safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the workspace is clean, wellventilated, and free from flammable materials.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety goggles.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The molds can become very hot during use, posing a burn risk.
  - Lead exposure may occur if not handled properly; ensure proper ventilation.
  - Sharp edges may exist on the mold; handle with care to avoid cuts.
- **Avoiding Hazards:**
  - Use heatresistant gloves when handling hot molds.
  - Ensure proper ventilation when melting lead or using other materials.
  - Keep hands dry and avoid touching hot surfaces directly.
  - Do not use the molds for any purpose other than intended.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the mold is clean and free from debris before use.
  - Place the mold securely on a stable, heatresistant surface.
- **Usage:**
  - Preheat the mold according to the manufacturer's guidelines.
  - Pour the molten material slowly and steadily into the cavity.
  - Allow the material to cool completely before removing the bullet or round ball.
  - Inspect the finished product for any defects before use.
- **PostUsage Care:**
  - Clean the mold after each use according to the manufacturer's instructions.
  - Store the mold in a safe, dry place away from children and pets.

## Disposal Instructions

- Dispose of any unused materials or waste according to local regulations.
- Do not dispose of lead or other hazardous materials in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BLACK POWDER DOUBLE CAVITY MOLDS LEE PRECISION 45 CAL, please refer to the product packaging or the manufacturer's website for further assistance.

Thank you for prioritizing safety while using this product. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
