Safety Instruction Guide for ROUND OVERSIZED SINGLE CAVITY MOLDS LEE PRECISION 58 CAL OVERSIZED (0.578") 478GR ROUND SINGLE CAVITY MOLD

Introduction

Thank you for choosing the ROUND OVERSIZED SINGLE CAVITY MOLD from Lee Precision. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the mold is used in a wellventilated area to avoid inhalation of any fumes or particles.
- Keep the mold out of reach of children and vulnerable individuals to prevent accidental injuries.
- Inspect the mold for any damage or wear before each use. Do not use if damaged.
- Follow local regulations regarding the use and storage of casting equipment and materials.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) including gloves, safety goggles, and a dust mask when using the mold.
- Avoid direct contact with hot surfaces to prevent burns.
- Ensure that all materials used with the mold are compatible and safe for casting.
- Use the mold only for its intended purpose, which is to cast Minie bullets.
- Do not leave the mold unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and organized.
- Gather all necessary tools and materials before starting.

2. Setting Up the Mold:

- Place the mold on a stable and heatresistant surface.
- Ensure that the mold is securely clamped or held in place to prevent movement during use.

3. Casting Process:

- Preheat the mold according to the manufacturer's recommendations to ensure proper casting.
- Pour the molten material into the mold carefully to avoid spills and splashes.
- Allow the material to cool and solidify completely before removing it from the mold.

4. PostUse Care:

- Clean the mold thoroughly after each use to prevent residue buildup.
- Store the mold in a dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any waste materials in accordance with local regulations.
- Do not dispose of the mold in regular household waste if it is damaged or no longer usable. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries related to safety or product usage, please refer to the EU contact point associated with this product. It is important to have a reliable source for any safety concerns or product issues.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you have a safe and enjoyable experience with your ROUND OVERSIZED SINGLE CAVITY MOLD.
