CORE Choke Tubes for Winchester Safety Instruction Guide

Introduction

Thank you for choosing the CORE Choke Tubes for Winchester. This safety instruction guide is designed to ensure your safe use of this product while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the choke tubes.

General Safety Guidelines

- Always ensure that the choke tube is correctly installed before use.
- Handle all firearms and ammunition with care and follow the manufacturer's safety instructions.
- Keep the choke tubes out of reach of children and unauthorized users.
- Inspect the choke tubes regularly for any signs of damage or wear.
- Do not use the choke tubes with incompatible ammunition types.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.
- **Compatibility:** Ensure that the choke tubes are compatible with your specific Winchester shotgun model. Refer to the manufacturer's guidelines for compatibility.
- **Ammunition Types:** Use only the recommended shot sizes (BB10) and materials (lead, steel, bismuth, Tungsten/TSS, Matrix Loads, Duplex Loads, blends, and HeviShot).
- **Choke Constrictions:**
 - Close Range Improved Cylinder (CR/IC): Suitable for distances of 520 yards (lead) and 1530 yards (steel).
 - MidRange Modified (MR/MOD): Suitable for distances of 2035 yards (lead) and 2545 yards (steel).
 - Long Range Full (LR/FULL): Suitable for distances of 3045 yards (lead) and 40+ yards (steel).
- **Slug Usage:** Slugs may only be used through the Close Range Improved Cylinder (CR/IC) choke.
- **Inspection:** Before each use, inspect the choke tube for any signs of damage. Do not use if damaged.

Instructions for Installation and Usage

1. Installation:

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube if applicable.
- Clean the threads of the choke tube and the shotgun barrel.
- Screw the CORE choke tube into the shotgun barrel by hand until it is snug. Do not overtighten.
- Ensure that the choke tube is secure before use.

2. Usage:

- Load the shotgun with compatible ammunition.
- Always keep the muzzle pointed in a safe direction.
- Engage the safety mechanism when not actively shooting.
- Follow all local laws and regulations regarding the use of firearms.

Disposal Instructions

- Dispose of any damaged choke tubes in accordance with local waste disposal regulations.
- Do not dispose of choke tubes in regular household waste. Check local guidelines for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's official website or contact their customer service team. Ensure you have the product model and any relevant details ready for assistance.

We hope this guide helps you use your CORE Choke Tubes for Winchester safely and effectively. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention.
