# CORE CHOKE TUBES FOR BENELLI Crio/CRio PLUS

## Safety Instruction Guide

### Introduction

Thank you for choosing the CORE Choke Tubes for Benelli Crio/CRio Plus. This guide provides essential safety information and instructions for the proper use of your choke tubes. Please read this guide carefully to ensure safe and effective operation.

### General Safety Guidelines

- Ensure safe use of the choke tubes by following these guidelines:
  - Always handle firearms responsibly and in accordance with local laws and regulations.
  - Use the choke tubes only with compatible shotguns and ammunition as specified in the product description.
  - Keep choke tubes out of reach of children and unauthorized users.
  - Regularly inspect choke tubes for signs of wear or damage before use.
  - Do not modify or alter the choke tubes in any way.
  - Follow all manufacturer recommendations for usage and maintenance.

### Specific Safety Precautions for Use

- To avoid potential hazards, adhere to the following precautions:
  - Always ensure the shotgun is unloaded before installing or removing choke tubes.
  - Use appropriate safety gear, including eye and ear protection, when shooting.
  - Be aware of your surroundings and ensure a clear shooting area.
  - Only use the recommended shot sizes: BB10 in lead, steel, bismuth, Tungsten/TSS, Matrix Loads, Duplex Loads, blends, and HeviShot.
  - Do not use slugs through the CR/IC choke tubes.
  - Always check the choke constriction before use to ensure it matches your shooting requirements.

### Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the choke tubes:
  1. **Installation:**
    - Ensure the shotgun is unloaded and pointed in a safe direction.
    - Use the choke wrench to remove the existing choke tube if applicable.
    - Align the new choke tube with the threads in the shotgun barrel.
    - Handtighten the choke tube until secure, then use the choke wrench for a final snug fit.
  2. **Usage:**
    - Load the shotgun with compatible ammunition according to the choke tube specifications.
    - Be mindful of the selected choke constriction (Close Range, MidRange, Long Range) for your shooting needs.
    - Aim and shoot in a safe direction, following all standard firearm safety practices.

### Disposal Instructions

- When disposing of choke tubes, please follow these guidelines:
  - Do not discard choke tubes in regular household waste.
  - Contact your local waste management facility for proper disposal methods.
  - Ensure that all components are disposed of in an environmentally friendly manner.

## Contact Information for Further Support

- For any inquiries or concerns regarding the CORE Choke Tubes, please reach out to the designated EU contact point for assistance.

## Conclusion

By following this safety instruction guide, you can ensure the safe and effective use of your CORE Choke Tubes for Benelli Crio/Crio Plus. Always prioritize safety and responsible firearm handling. Thank you for your purchase, and enjoy your shooting experience!
