

APOLLO ELECTRONIC SOUND SUPPRESSORS - SAVIOR EQUIPMENT

APOLLO ELECTRONIC SOUND SUPPRESSOR GREEN

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Meet the Apollo Electronic Sound Suppressors from Savior Equipment! This ear protection features a 24dB noise reduction rating! With a twist of the power knob, environmental sounds and voices are amplified while loud, harmful noises are instantly compressed. The Apollo Electronic Sound Suppressors operate with 2 AAA Batteries. The Apollo Ear Muffs have cool gel ear pads and a padded mesh headband for all day comfort. These Ear Muffs are compact and collapsible, making them hassle-free to carry on any outing. You can flip the ear cups out when needed, and simply fold them in when you are done. Not only do the Apollo Ear Muffs come in several colors, they also feature a fan favorite writeable ID patch for instant identification.

Apollo Electronic Sound Suppressors Safety Instructions

Introduction

Thank you for choosing the Apollo Electronic Sound Suppressors from Savior Equipment. These ear protection devices are designed to provide safety and comfort while enhancing your auditory experience. This safety instruction guide is intended to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with the use of electronic sound suppressors.
- Always keep the product out of reach of children.
- Regularly check for any updates regarding product recalls or safety alerts on the EU's Safety Gate platform.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Noise Reduction Rating (NRR):** The Apollo Electronic Sound Suppressors have a noise reduction rating of 24 dB. This means they can significantly reduce ambient noise levels, but they do not eliminate all sounds. Always remain aware of your surroundings.
- **Battery Safety:** The product operates with 2 AAA batteries. Ensure that batteries are inserted correctly and do not mix old and new batteries. Dispose of used batteries properly.
- **Environmental Awareness:** While the device amplifies environmental sounds, be cautious of loud noises that may still pose a risk to your hearing.
- **Comfort and Fit:** Ensure that the ear cups fit snugly over your ears for optimal performance. Adjust the padded mesh headband for a comfortable fit.
- **Age Restrictions:** These ear muffs are not intended for use by children under the age of 12 without adult supervision.

Instructions for Installation and Usage

1. Battery Installation:

- Open the battery compartment located on the ear muff.
- Insert 2 AAA batteries, ensuring the positive (+) and negative (-) ends are aligned correctly.
- Close the battery compartment securely.

2. Adjusting the Headband:

- Place the ear muffs over your ears and adjust the padded mesh headband to ensure a comfortable and secure fit.

3. Powering On/Off:

- Turn the power knob to the "ON" position to activate the electronic sound suppression features.
- To turn off, rotate the power knob to the "OFF" position.

4. Using the Amplification Feature:

- With the device powered on, environmental sounds and voices will be amplified. Always remain aware of your surroundings and be cautious of loud noises.

5. Collapsing the Ear Muffs:

- When not in use, flip the ear cups inward to collapse the ear muffs for easy storage and transport.

Disposal Instructions

- Dispose of the Apollo Electronic Sound Suppressors in accordance with local regulations regarding electronic waste.
- Remove and dispose of batteries separately, following your local guidelines for battery disposal.

Contact Information for Further Support

For any questions or concerns regarding the Apollo Electronic Sound Suppressors, please refer to the manufacturer's contact details provided on the packaging or visit the official website of Savior Equipment for more information.

Thank you for prioritizing your safety and the safety of others while using the Apollo Electronic Sound Suppressors. Enjoy your enhanced auditory experience!
