## APOLLO ELECTRONIC SOUND SUPPRESSOR ORANGE

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Meet the Apollo Electronic Sound Suppressors from Savior Equipment! This ear protection features a 24dB noise reduction rating! With a twist of the power knob, environmental sounds and voices are amplified while loud, harmful noises are instantly compressed. The Apollo Electronic Sound Suppressors operate with 2 AAA Batteries. The Apollo Ear Muffs have cool gel ear pads and a padded mesh headband for all day comfort. These Ear Muffs are compact and collapsible, making them hassle-free to carry on any outing. You can flip the ear cups out when needed, and simply fold them in when you are done. Not only do the Apollo Ear Muffs come in several colors, they also feature a fan favorite writeable ID patch for instant identification.

# Apollo Electronic Sound Suppressors Safety Instructions

## Introduction

Thank you for choosing the Apollo Electronic Sound Suppressors from Savior Equipment. These ear protection devices are designed to enhance your auditory experience while providing essential noise reduction. This safety instruction guide will help you understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure safe use of the Apollo Electronic Sound Suppressors, please follow these guidelines:

- Always inspect the product for any visible damage before use.
- Avoid using the product in environments where noise levels exceed the specified noise reduction rating (NRR) of 24 dB.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly check for any product recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

When using the Apollo Electronic Sound Suppressors, please observe the following precautions:

- Do not expose the product to extreme temperatures or moisture, as this may affect functionality.
- Ensure that the ear pads are clean and free from debris before use to maintain comfort and hygiene.
- Avoid using the product while engaging in activities that require full situational awareness, such as driving or operating machinery.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and consult a healthcare professional.

## Instructions for Installation and Usage

To ensure optimal performance of your Apollo Electronic Sound Suppressors, follow these instructions:

### 1. Battery Installation:

- Open the battery compartment located on the side of the ear muffs.
- Insert 2 AAA batteries, ensuring correct polarity is observed (+/).
- Close the battery compartment securely.

### 2. Adjusting the Headband:

- Place the ear muffs over your ears and adjust the headband for a snug fit.
- Ensure that the ear pads fully cover your ears for maximum noise reduction.

### 3. Powering On/Off:

- To turn on the device, rotate the power knob clockwise until you hear a click.
- To turn off, rotate the power knob counterclockwise until you hear a click.

### 4. Using Environmental Sound Amplification:

- When powered on, environmental sounds and voices will be amplified.
- Adjust the volume using the power knob to your preference.

#### **5. Collapsing the Ear Muffs:**

- To store the ear muffs, gently flip the ear cups inward until they fold flat.

## **Disposal Instructions**

When the Apollo Electronic Sound Suppressors reach the end of their life cycle, please follow these disposal instructions:

- Remove and properly dispose of the batteries in accordance with local regulations for battery disposal.
- Dispose of the ear muffs in accordance with local waste management guidelines.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries or support regarding the Apollo Electronic Sound Suppressors, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can enjoy the full benefits of the Apollo Electronic Sound Suppressors while ensuring your safety and compliance with EU regulations. Thank you for prioritizing safety!
