

APOLLO ELECTRONIC SOUND SUPPRESSORS - SAVIOR EQUIPMENT

APOLLO ELECTRONIC SOUND SUPPRESSOR RED

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Meet the Apollo Electronic Sound Suppressors from Savior Equipment! This ear protection features a 24dB noise reduction rating! With a twist of the power knob, environmental sounds and voices are amplified while loud, harmful noises are instantly compressed. The Apollo Electronic Sound Suppressors operate with 2 AAA Batteries. The Apollo Ear Muffs have cool gel ear pads and a padded mesh headband for all day comfort. These Ear Muffs are compact and collapsible, making them hassle-free to carry on any outing. You can flip the ear cups out when needed, and simply fold them in when you are done. Not only do the Apollo Ear Muffs come in several colors, they also feature a fan favorite writeable ID patch for instant identification.

Apollo Electronic Sound Suppressors Safety Instruction Guide

Introduction

Thank you for choosing the Apollo Electronic Sound Suppressors from Savior Equipment. This guide provides essential safety instructions to ensure the safe and effective use of your ear protection device. Please read this guide carefully before use to understand the safety measures and proper handling of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the device before each use for any signs of damage or wear.
- Keep the product away from water and other liquids to prevent electrical hazards.
- Store the product in a cool, dry place when not in use.
- Do not modify or disassemble the product, as this may compromise safety and functionality.
- Use the product only for its intended purpose: to protect your ears from loud noises while amplifying environmental sounds.
- Be aware of your surroundings when using the device, especially in noisy environments.

Specific Safety Precautions for Use

- **Hearing Protection:** The Apollo Electronic Sound Suppressors have a noise reduction rating (NRR) of 24 dB. They are designed to protect your hearing from harmful noise levels.
- **Battery Safety:** The device operates on 2 AAA batteries. Ensure that the batteries are installed correctly and are not leaking. Dispose of used batteries in accordance with local regulations.
- **Comfort and Fit:** Adjust the padded mesh headband for a secure and comfortable fit. Ensure the gel ear pads create a proper seal around your ears for optimal noise reduction.
- **Usage Limitations:** Do not use the device in environments where hearing protection is required by law without ensuring that it meets the necessary safety standards.
- **Children and Vulnerable Groups:** This product is not intended for use by children under the age of 12 without adult supervision. Ensure that children are educated about the proper use of this device.

Instructions for Installation and Usage

1. Installation of Batteries:

- Open the battery compartment located on the headband.
- Insert 2 AAA batteries, ensuring correct polarity as indicated inside the compartment.
- Close the battery compartment securely.

2. Adjusting the Fit:

- Place the ear muffs over your ears, ensuring that the gel ear pads sit comfortably against your skin.
- Adjust the padded mesh headband to achieve a snug fit without discomfort.

3. Using the Power Knob:

- Turn the power knob to the "On" position to activate the device.
- Adjust the knob to amplify environmental sounds while compressing loud noises.

4. Flipping Ear Cups:

- When not in use, flip the ear cups inward for compact storage.
- To use, simply flip the ear cups outward until they click into place.

5. Turning Off the Device:

- After use, turn the power knob to the "Off" position to conserve battery life.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Remove and recycle the batteries separately from the device.
- Do not dispose of the product in household waste if it contains electronic components.

Contact Information for Further Support

For any questions or concerns regarding the Apollo Electronic Sound Suppressors, please contact the manufacturer or refer to the product's packaging for further information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Apollo Electronic Sound Suppressors. Remember to regularly check for updates on product recalls or safety notices through official channels. Thank you for your attention to safety!
