

APOLLO ELECTRONIC SOUND SUPPRESSORS - SAVIOR EQUIPMENT

APOLLO ELECTRONIC SOUND SUPPRESSOR PURPLE

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Meet the Apollo Electronic Sound Suppressors from Savior Equipment! This ear protection features a 24dB noise reduction rating! With a twist of the power knob, environmental sounds and voices are amplified while loud, harmful noises are instantly compressed. The Apollo Electronic Sound Suppressors operate with 2 AAA Batteries. The Apollo Ear Muffs have cool gel ear pads and a padded mesh headband for all day comfort. These Ear Muffs are compact and collapsible, making them hassle-free to carry on any outing. You can flip the ear cups out when needed, and simply fold them in when you are done. Not only do the Apollo Ear Muffs come in several colors, they also feature a fan favorite writeable ID patch for instant identification.

Apollo Electronic Sound Suppressors Safety Instruction Guide

Introduction

Thank you for choosing the Apollo Electronic Sound Suppressors from Savior Equipment. This product is designed to provide effective ear protection while enhancing your auditory experience in various environments. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- **Product Safety:** The Apollo Electronic Sound Suppressors meet all safety standards for nonfood products in the EU. This includes safety measures for new technologies and online purchases.
- **Enhanced Recalls:** In the event of a product recall, standardized notices will be issued, and remedies will be provided free of charge for any dangerous products.
- **Online Shopping:** Consumers purchasing online are entitled to the same safety protections as those shopping in physical stores.
- **Special Consumer Focus:** This product includes additional safety measures for vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** The Safety Gate system will provide timely updates on any unsafe products.

Specific Safety Precautions for Use

- **Noise Reduction Rating:** The Apollo Electronic Sound Suppressors have a Noise Reduction Rating (NRR) of 24 dB. Ensure that the product is used in environments where noise levels could cause hearing damage.
- **Battery Safety:** Use only 2 AAA batteries as specified. Do not mix old and new batteries or different types of batteries.
- **Comfort Features:** The ear muffs are designed with cool gel ear pads and a padded mesh headband. Ensure that the product is adjusted for a comfortable fit to prevent discomfort during extended use.
- **Environmental Awareness:** The product amplifies environmental sounds when in use. Be aware of your surroundings, especially in potentially hazardous situations.
- **Children's Safety:** Keep the product out of reach of young children to avoid accidental use or battery ingestion.

Instructions for Installation and Usage

1. Battery Installation:

- Open the battery compartment by following the manufacturer's instructions.
- Insert 2 AAA batteries, ensuring the correct polarity is observed.
- Close the battery compartment securely.

2. Adjusting the Headband:

- Place the ear muffs over your ears.
- Adjust the headband to ensure a snug but comfortable fit.

3. Powering On/Off:

- Turn the power knob to the "On" position to activate the sound suppression feature.

- Adjust the knob to amplify environmental sounds as needed.
- Turn the knob to the "Off" position when not in use to conserve battery life.

4. **Using the Ear Muffs:**

- For maximum effectiveness, wear the ear muffs in noisy environments.
- Flip the ear cups out when needed and fold them in when finished.

5. **Cleaning and Maintenance:**

- Wipe the ear muffs with a damp cloth to clean.
- Do not use harsh chemicals or solvents that could damage the product.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations for battery disposal. Do not throw batteries in the regular trash.
- **Product Disposal:** When the product has reached the end of its life, dispose of it in accordance with local waste management regulations. Check for any recycling options available in your area.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Apollo Electronic Sound Suppressors, please refer to the contact information provided by the manufacturer.

Thank you for your attention to these safety instructions. Enjoy your Apollo Electronic Sound Suppressors, and stay safe!
