## Safety Instruction Guide

### Introduction

Thank you for purchasing the CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER 8.6 BLACKOUT. This product is designed to help you trim cases to the correct length and square the case mouth. It is essential to follow the safety instructions provided in this guide to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle the gauge with care to avoid injury.
- Keep the gauge out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If the product is damaged or malfunctioning, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use the gauge in a welllit area to ensure visibility while working.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, while using the gauge.
- Avoid wearing loose clothing or jewelry that could become caught in the gauge during use.
- Ensure that your workspace is clear of unnecessary items to prevent accidents.
- Only use the gauge with compatible cutters and lock studs as specified by the manufacturer.
- Do not modify the gauge in any way; alterations may compromise safety and performance.

### Instructions for Installation and Usage

#### 1. Setting Up the Gauge

- Remove the gauge from its packaging and inspect it for any damage.
- Ensure that you have the appropriate cutter and lock stud for use with the gauge.
- Follow the manufacturer's instructions to securely attach the cutter to the gauge.

#### 2. Using the Gauge

- Place the case into the gauge, ensuring it is seated properly.
- Adjust the gauge to the desired length according to the specifications for your cases.
- Firmly secure the lock stud to hold the case in place.
- Use the cutter to trim the case to the desired length, following the manufacturer's instructions.
- After trimming, remove the case from the gauge and inspect the cut for accuracy.

#### 3. PostUse Care

- Clean the gauge after use to remove any debris or residue.
- Store the gauge in a dry, safe location away from children and pets.

### Disposal Instructions

- Dispose of the product according to local regulations.

- Do not dispose of the gauge in regular household waste if it is damaged or no longer functional.
- Check with local waste management authorities for proper disposal methods for tools and equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided in the packaging or on their official website.

By following these safety instructions, you can ensure a safe and effective experience with your CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER 8.6 BLACKOUT. Thank you for your attention to safety and enjoy your reloading process!
