Safety Instruction Guide for Lee Precision Universal Double Decap Pin

Introduction

Thank you for choosing the Lee Precision Universal Double Decap Pin. This product is designed to work with the Lee Universal Decapping Die (#90292) and is intended for the safe and efficient removal of spent primers from cartridge cases. To ensure your safety and the effective use of this product, please read this guide carefully.

General Safety Guidelines

- Ensure that you are using the product in accordance with the manufacturer's instructions.
- Always inspect the decapping pin for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- In case of an accident or injury, report it to the relevant authorities.

Specific Safety Precautions for Use

- Always wear safety glasses when using the decapping pin to protect your eyes from potential debris.
- Handle the decapping pin with care to avoid injury from sharp edges.
- Do not use excessive force when decapping; this may damage the pin or the die.
- Ensure that the work area is clean and free from distractions to maintain focus during use.
- If the decapping pin becomes stuck, do not force it; instead, follow the manufacturer's instructions for safe removal.

Instructions for Installation and Usage

1. Installation:

- Ensure your Lee Universal Decapping Die is properly mounted in your reloading press.
- Carefully insert the Universal Double Decap Pin into the decapping die as per the manufacturer's instructions.
- Tighten the retaining screw securely to hold the pin in place.

2. Usage:

- Place the cartridge case in the shell holder of your reloading press.
- Activate the press to raise the ram, which will push the cartridge case up against the decapping pin.
- The decapping pin will remove the spent primer from the case.
- After decapping, check the pin for any damage or deformation before reusing.
- Repeat the process for additional cartridge cases as needed.

Disposal Instructions

- Dispose of any damaged or worn decapping pins in accordance with local regulations regarding metal waste.
- Do not dispose of the product in household waste. Check for recycling options available in your area.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Lee Precision Universal Double Decap Pin, please refer to the manufacturer's website or customer support channels for assistance.

This safety instruction guide is designed to help you use the Lee Precision Universal Double Decap Pin safely and effectively. By following these guidelines, you can ensure a safe reloading experience. Thank you for your attention to safety!
