Safety Instruction Guide for RAM SWAGE HOLDER LEE PRECISION SMALL RAM SWAGE HOLDER

Introduction

Thank you for choosing the RAM SWAGE HOLDER LEE PRECISION SMALL RAM SWAGE HOLDER. This guide provides important safety instructions and usage information to ensure your safety and the effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product if it is damaged or malfunctioning.
- Follow all instructions provided in this guide to minimize risks.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the swage holder.
- Ensure that the working area is clean and free from obstructions to prevent accidents.
- Do not exceed the recommended load limits for the swage holder.
- Avoid using the swage holder in wet or damp conditions to prevent slipping and electrical hazards.
- Keep hands and other body parts clear of moving parts during operation.
- If you experience any discomfort or pain while using the product, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure that the workbench or surface is stable and secure.
- Attach the swage holder to the workbench using the appropriate screws or clamps.
- Make sure the swage holder is firmly secured before use.

2. Usage

- Place the material to be swaged securely in the swage holder.
- Adjust the holder to fit the material snugly without excessive force.
- Use the appropriate tools and techniques for swaging to ensure safety and effectiveness.
- After completing the swaging process, remove the material from the holder carefully.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling it where facilities exist.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging.
