# Safety Instruction Guide for SIX PACK PRO SOFT TWIST INDEX ROD

## Introduction

Thank you for choosing the SIX PACK PRO SOFT TWIST INDEX ROD by LEE PRECISION. This product is designed for reloading presses and is compatible with 223 Rem and shorter cases. To ensure your safety and the proper functioning of this product, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Avoid using the product if it appears to be damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the product is compatible with your reloading press model before use.
- Use protective eyewear when operating the reloading press to avoid injury from debris.
- Do not exceed the recommended load specifications for your reloading press.
- Keep hands and loose clothing away from moving parts during operation.
- Do not modify the product or use it for purposes other than intended.
- Follow all local regulations regarding the handling and storage of reloading materials.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is powered off and unplugged before installation.
- Remove any existing components that may interfere with the installation of the index rod.
- Carefully insert the SIX PACK PRO SOFT TWIST INDEX ROD into the designated slot of the reloading press.
- Secure the rod in place according to the manufacturer's specifications.
- Reattach any components that were removed during installation.

### 2. Usage:

- Before starting the reloading process, doublecheck that the index rod is securely installed.
- Load the appropriate reloading materials into the press as per the manufacturer's guidelines.
- Operate the reloading press at a steady pace, avoiding sudden movements.
- Monitor the reloading process closely to ensure everything is functioning correctly.
- After use, clean the index rod and surrounding area to maintain optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer functional, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the SIX PACK PRO SOFT TWIST INDEX ROD, please refer to the manufacturer's website or customer support resources.

Thank you for prioritizing safety while using the SIX PACK PRO SOFT TWIST INDEX ROD. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
