

# GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN OPTIC GUARD - TRIJICON RCR - GLOCK MOS BLACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

## Attributes

## Safety Instruction Guide

### Introduction

Thank you for choosing the GUARDIAN Optic Guard by Radian Weapons. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your optic mounting system. Please read this document carefully before use.

### General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always inspect the product for any damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to optic misalignment or detachment.
- Moisture ingress can cause corrosion if not properly sealed.
- Ensure that the mounting screws are securely tightened to prevent loosening during use.

- **Avoiding Hazards:**

- Follow installation instructions carefully to ensure proper fitting.
- Regularly check the condition of the optic and mounting system.
- Use the provided Orings to maintain a watertight seal.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

### Instructions for Installation and Usage

#### 1. Installation Steps:

- Gather all necessary tools, including a screwdriver compatible with the mounting screws.
- Remove any existing optic or mounting plates from your pistol.
- Align the GUARDIAN Optic Guard with the mounting interface on your pistol slide.
- Insert the threaded stud through the mounting hole and secure it using the nut provided.
- Ensure that the Orings are properly seated to create a watertight seal.
- Tighten the mounting screws securely, ensuring that the optic is firmly in place.

#### 2. Usage Instructions:

- Once installed, check the alignment of the optic with your sight picture.
- Test the stability of the optic by gently shaking the firearm to ensure there is no movement.
- Regularly clean and inspect the optic and mounting system for signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations and guidelines for electronic waste and metal materials.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support related to the GUARDIAN Optic Guard, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety in your use of the GUARDIAN Optic Guard by Radian Weapons.
