

GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN OPTIC GUARD - HOLOSUN HS507COMP - GLOCK MOS BLACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

GUARDIAN OPTIC GUARD Safety Instruction Guide

Introduction

Thank you for choosing the GUARDIAN OPTIC GUARD HOLOSUN HS507COMP. This product is designed to provide exceptional protection for your pistol red dot optic. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that this product is used only as intended, in accordance with the manufacturer's instructions.
- Regularly inspect the GUARDIAN OPTIC GUARD for any signs of wear or damage before each use.
- Keep this product out of reach of children and vulnerable individuals.
- Do not modify or alter the product in any way, as this may compromise its safety features.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the GUARDIAN OPTIC GUARD.
- Use only the recommended mounting hardware and follow the installation instructions carefully.
- Avoid using the product in extreme conditions that could affect its performance, such as excessive heat or moisture.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing optics or mounting plates from your firearm.
- Align the GUARDIAN OPTIC GUARD with the mounting points on your firearm.
- Use the STUDLOK threaded stud/nut mounting interface to secure the mount. Ensure that the screws are tightened to the manufacturer's specifications to prevent loosening during use.
- Check that the preinstalled Orings create a watertight seal between the mounting plate and the slide.

2. Usage:

- Always check the alignment of your optic before use to ensure proper sighting.
- Maintain the GUARDIAN OPTIC GUARD by cleaning it regularly with a soft cloth to remove dirt and debris.
- If applicable, adjust the backup sights as needed to ensure an unobstructed sight picture.

Disposal Instructions

- Dispose of the GUARDIAN OPTIC GUARD in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents any potential harm to the environment.

Contact Information for Further Support

For any inquiries regarding the GUARDIAN OPTIC GUARD or to report safety concerns, please contact the

manufacturer or visit their official website for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your GUARDIAN OPTIC GUARD.
