

REAL DROP-IN TRIGGER FOR AR-15/10 - ERATAC AR-15/10 REAL DROP-IN TRIGGER STRAIGHT

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

ERATAC-Trigger for AR 15/10 This "Real Drop In"-trigger can be installed without disassembling the weapon and the trigger. For transporting the weapon, you can remove the trigger in just a few steps and thus have the safest weapon in the world. The fastening screws are protected from falling out and being lost by an integrated screw lock. The trigger weight can be adjusted between >2.2 pounds (1000g) and >3.3 Pounds (1500g) using predefined detents. No adjustment required. The set trigger weight can be read in the housing. Every single trigger is tested and recorded based on the serial number. Compliance with the minimum trigger weights is confirmed by stamp and signature. An individual certificate is included with each trigger. Here are the special features at a glance: True drop-in trigger, no disassembly of weapon or trigger required Made of lightweight aircraft-grade aluminum and hardened steel Crisp ad creep-free single stage trigger Very short pull and reset allows for rapid follow up shots Easy switching between >2.2 pounds (1000g) and >3.3 pounds (1500g) trigger weight in two defined positions. Optionally with curved or straight blade Adjustment of the trigger weight and installation of the trigger with just one tool (included in delivery) Securing is not possible when the weapon is knocked off (this means the charging status of the weapon is recognizable) Loading not possible when secured Installation in all common AR systems possible (.22lfb, 9mm, 7.62mm, 5.56mm, H&K, Haenel, OA, Hera, Tippman, Stag etc.) Dimensions: 2.36"x0.67"x2.76" (60mm x 17mm x 70mm) Weight: 0.1653 pounds (75g)

Consumer Safety Instruction Guide for ERATAC DropIn Trigger for AR15/10

Introduction

Thank you for choosing the ERATAC DropIn Trigger for AR15/10. This guide provides essential safety instructions, installation guidelines, and important contact information to ensure safe and effective use of your product. Please read this guide carefully before using the trigger.

General Safety Guidelines

- Ensure that the weapon is unloaded before installing or adjusting the trigger.
- Always check the charging status of the weapon before handling.
- Use the trigger only in accordance with local laws and regulations.
- Store the trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- If you experience any issues with the trigger, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The trigger is designed for use with AR15/10 systems only. Do not attempt to use it with other firearms.
- Ensure that the trigger weight is set appropriately for your shooting needs, between >2.2 pounds (1000g) and >3.3 pounds (1500g).
- Avoid using the trigger in adverse weather conditions that may affect performance.
- Do not modify the trigger or use it in a manner not described in this guide.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the weapon is unloaded and the safety is engaged.
- Remove the existing trigger by following the manufacturer's instructions.
- Align the ERATAC DropIn Trigger with the trigger housing.
- Secure the trigger using the included fastening screws. Ensure the screws are tightened but do not overtighten.
- Adjust the trigger weight using the predefined detents as desired.

2. Usage:

- Familiarize yourself with the trigger's operation before live firing.
- Practice with the trigger to understand its pull and reset characteristics.
- Always wear appropriate eye and ear protection when using the firearm.
- Maintain control of the firearm at all times, ensuring the muzzle is pointed in a safe direction.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding firearm accessories.
- If the trigger is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.
- Consider recycling materials where applicable.

Contact Information for Further Support

For any inquiries or support related to the ERATAC DropIn Trigger for AR15/10, please refer to the contact information provided with your purchase.

Important Note

This product is designed for responsible adults and should not be used by individuals under the age of 18 without proper supervision. Always prioritize safety and comply with all applicable laws and regulations.

Please keep this guide for future reference and ensure all users of the ERATAC DropIn Trigger are informed of these safety instructions. Thank you for your attention to safety.
