# NONRECIPROCATING CHARGING HANDLE FOR BRN180 Safety Instruction Guide

## Introduction

Thank you for purchasing the NonReciprocating Charging Handle for BRN180 from A3 Industries. This safety instruction guide is designed to provide you with essential information for the safe use, installation, and disposal of the product. Please read this guide carefully to ensure your safety and the proper functioning of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle the charging handle with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the charging handle for any signs of wear or damage before each use.
- Do not attempt to modify or alter the charging handle in any way.
- Always follow the manufacturer's instructions for installation and usage.
- If you encounter any problems or have safety concerns, do not hesitate to seek assistance.

## Specific Safety Precautions for Use

- Use the charging handle only with compatible firearms, specifically the BRN180.
- Ensure that the firearm is unloaded before installing or removing the charging handle.
- Wear appropriate protective gear, such as safety glasses, when handling the firearm.
- Avoid using the charging handle in wet or damp conditions to prevent slipping.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Follow all local laws and regulations regarding firearm usage.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Charging Handle:** If applicable, carefully remove the existing charging handle by following the manufacturer's instructions.
3. **Align the Charging Handle:** Position the NonReciprocating Charging Handle over the guide rail.
4. **Secure the Charging Handle:** Gently push the charging handle into place until it is securely fastened. Ensure it moves freely along the guide rail.
5. **Test Functionality:** Before using the firearm, test the charging handle to ensure it operates smoothly.

### Usage

- To operate the charging handle, grip the round knob firmly.
- Pull the charging handle back to chamber a round or clear the chamber as necessary.
- Release the charging handle smoothly to allow it to return to its forward position.
- Always maintain control of the firearm while operating the charging handle.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations regarding metal and aluminum recycling.
- Do not dispose of the product in regular household waste.
- If the charging handle is damaged or no longer functional, consider contacting local recycling facilities for

proper disposal options.
