# **Safety Instruction Guide for LARGE SERIES 2 DIE SETS LEE PRECISION .338 LAPUA LARGE SERIES COLLET 2DIE NECK SIZING SET**

## **Introduction**

Thank you for choosing the Lee Large Series 2 Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of the product. Please read and understand this document thoroughly before using the die set.

## **General Safety Guidelines**

- Always ensure that the die set is used with the Classic Cast Press only.
- Inspect the die set for any damage or wear before use.
- Keep the die set out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Store the die set in a dry, cool place to prevent rust and damage.
- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.

## **Specific Safety Precautions for Use**

- Ensure that your workspace is clean and organized to prevent accidents.
- Avoid distractions while reloading to maintain focus.
- Use the correct shellholder and powder dipper as specified in the product documentation.
- Never exceed recommended powder loads as indicated in reputable reloading manuals.
- Be aware of the potential hazards associated with handling ammunition components, including lead exposure.
- If you experience any issues during the reloading process, stop immediately and consult a qualified professional.

## **Instructions for Installation and Usage**

### **1. Installation of the Die Set:**

- Ensure the Classic Cast Press is securely mounted and stable.
- Thread the fulllength sizing die into the press until snug. Do not overtighten.
- Install the bullet seating die in the same manner, ensuring it is properly aligned.

### **2. Using the Die Set:**

- Begin by resizing the cartridge cases using the fulllength sizing die.
- Follow the instructions provided for adjusting the die to achieve the desired case dimensions.
- After resizing, proceed to seat the bullets using the bullet seating die. Adjust the die as necessary for proper bullet seating depth.
- Always doublecheck measurements and settings before proceeding with reloading.

### **3. PostUsage Care:**

- Clean the die set after use to remove any residue or debris.
- Store the die set in its original packaging or a designated storage container to prevent damage.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local waste disposal regulations.
- Do not dispose of reloading materials in regular trash. Contact local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Lee Large Series 2 Die Set, please refer to the manufacturer's contact information available on the product packaging or official website.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Lee Large Series 2 Die Set. Always prioritize safety and be aware of the potential hazards associated with reloading practices. Thank you for your attention to these important safety measures.
