# Safety Instruction Guide for STEEL 3DIE PISTOL DIE SETS LEE PRECISION .400 CORBON FULL LENGTH SIZING 3DIE SET STEEL

## Introduction

Thank you for choosing the Lee Steel 3Die Pistol Die Set. This guide provides essential safety information and instructions to ensure the safe use of your die set. It is crucial to follow these guidelines to avoid potential hazards and ensure a safe reloading experience.

## General Safety Guidelines

- Always read and understand the instructions before using the die set.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect all components of the die set before use for any signs of damage or wear.
- Use the die set only for its intended purpose as described in the instructions.
- Ensure that you are in a wellventilated area when using the die set.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling materials.
- Report any unsafe products or accidents to local authorities or the appropriate safety organizations.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Lubrication:** Since the dies are made of steel, it is essential to lubricate the cases before sizing to prevent sticking and damage.
- **Handling:** Always handle the dies with care. Avoid dropping or hitting them against hard surfaces.
- **Cleaning:** Keep the dies clean and free of debris to ensure proper operation.
- **Storage:** Store the die set in a dry place, away from moisture and extreme temperatures.
- **Compatibility:** Use the die set only with compatible cartridges. This set is designed specifically for .400 CorBon cartridges.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Select the appropriate shell holder for the .400 CorBon cartridge.
- Install the Full Length Sizing Die into the press according to the manufacturer's instructions.
- Follow the same procedure for the Bullet Seating Die and the Powder Through Expanding Die.

### 2. Usage:

- **Full Length Sizing Die:**
  - Lubricate the cases before inserting them into the die.
  - Adjust the die according to the instructions to achieve the desired sizing.
- **Bullet Seating Die:**
  - Set the die to the correct depth for the bullet being used.
  - Insert the bullet into the case and raise the ram to seat the bullet.
- **Powder Through Expanding Die:**
  - Ensure the powder measure is set correctly to dispense the appropriate amount of powder.
  - Follow all safety precautions when handling gunpowder.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die set or its components in general waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Lee Steel 3Die Pistol Die Set, please refer to the manufacturer's website or the contact details provided in the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Lee Steel 3Die Pistol Die Set. Thank you for your attention to safety!
