Safety Instruction Guide for BREECH LOCK PISTOL CARBIDE 3DIE SETS

Introduction

Thank you for choosing the BREECH LOCK PISTOL CARBIDE 3DIE SETS by Lee Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before use and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle reloading equipment with care and follow proper safety procedures.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while reloading ammunition.
- Ensure that the work area is wellventilated and free from flammable materials.
- Do not exceed the recommended load data provided in the instructions.
- Use the Universal Shell Holder compatible with your specific cartridge.
- Avoid distractions while using the dies to maintain focus and safety.
- Store all components in a secure location to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Unpack the BREECH LOCK PISTOL CARBIDE 3DIE SETS carefully.
- Ensure that all components, including the Carbide Full Length Sizing Die, Bullet Seating Die, and Powder Thru Expanding Die, are present.
- Install the dies into the press according to the manufacturer's instructions. Ensure that they are securely fastened.
- Attach the Universal Shell Holder to your reloading press, ensuring it is the correct size for 9 mm Luger cartridges.

2. Usage:

- **Sizing Die:**
 - Insert the cartridge case into the shell holder.
 - Raise the ram to size the case fully, ensuring it is properly aligned.
- **Expanding Die:**
 - Adjust the die to expand the case mouth to the desired diameter for bullet seating.
- **Seating Die:**
 - Insert the bullet into the case mouth and lower the ram to seat the bullet to the desired depth.
- Always refer to the load data included with your set for specific measurements and recommendations.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Ensure that all materials are disposed of in a safe manner to prevent environmental harm.
- Do not throw away hazardous materials in regular trash. Instead, use designated disposal facilities.

Contact Information for Further Support

For additional support or inquiries regarding the BREECH LOCK PISTOL CARBIDE 3DIE SETS, please refer to the manufacturer's contact details found in the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing Lee Precision products.
