Safety Instruction Guide for BREECH LOCK RIFLE 3DIE SETS LEE PRECISION .3030 WINCHESTER

Introduction

Thank you for choosing the BREECH LOCK RIFLE 3DIE SETS from LEE PRECISION. This product is designed to assist you in safely and effectively reloading your .3030 Winchester cartridges. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle reloading equipment with care and attention.
- Ensure that the workspace is clean, welllit, and free of distractions.
- Store all reloading materials, including this die set, out of reach of children and unauthorized users.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Follow all local laws and regulations regarding ammunition reloading.
- Regularly inspect the die set for any signs of wear or damage before use.
- If you encounter any issues or suspect a defect, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that your reloading press is compatible with the Breech Lock Quick Change feature before using this die set.
- Use only the recommended cartridge type (.3030 Winchester) with this die set.
- Avoid overtightening the dies in the press, as this can cause damage.
- Always doublecheck measurements and settings before starting the reloading process.
- Keep all components organized and labeled to avoid confusion during reloading.
- Do not exceed the recommended load data provided in the instructions.
- Be aware of the potential hazards associated with handling gunpowder and primers. Store them in a cool, dry place away from direct sunlight and heat sources.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the die set, press, shell holder, powder dipper, and instructions/load data.
- Ensure your workspace is organized and free of clutter.

2. Installing the Dies

- Select the appropriate die from the set: Full Length Sizing Die, Easy Adjust Dead Length Bullet Seating Die, or Factory Crimp Die.
- Insert the die into the press according to the manufacturer's instructions.
- Use the colored Smart Lock bushings for easy die identification.

3. Reloading Process

- Begin with the Full Length Sizing Die to resize the brass cases.
- Follow with the Easy Adjust Dead Length Bullet Seating Die to seat bullets to the desired depth.
- Finally, use the Factory Crimp Die to ensure proper crimping of the cartridges.
- Use the Universal Shell Holder to securely hold the brass cases during reloading.

4. Testing and Quality Control

- After reloading, inspect each cartridge for consistency and quality.
- Conduct a test firing with a small batch to ensure safety and performance.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of gunpowder or primers in regular trash. Contact local authorities for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact your local LEE PRECISION representative or authorized dealer. They can provide additional guidance and support regarding the safe use of this product.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with the BREECH LOCK RIFLE 3DIE SETS LEE PRECISION .3030 WINCHESTER. Thank you for prioritizing safety in your reloading practices.
