

GHOST RING SIGHTS FOR HENRY - XS SIGHT SYSTEMS HENRY GHOST RING SIGHT SET .357 CALIBER DOVETAIL

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

The XS Ghost Ring WS hunting sights pairs with XS Lever Rail HN-6000R-N to offer improved accuracy and faster sight acquisition in a rugged all-steel design. Fits Henry .357 with round barrel and screw on front sight. Does not fit models with front sight blade dovetailed directly into the barrel. Precision machined in Fort Worth, TX. XS Ghost Ring WS is fully adjustable for windage and elevation and comes with two apertures, .230" and .191" inside diameter, for different lighting conditions. The large Ghost Ring affords great field of view for fast target acquisition. The XS White Stripe (WS) front sight replaces the existing blade and ramp and features a blued steel body with a painted white stripe face. White on black front post is highly visible in all lighting conditions, as well as provides contrast against any color background. Due to moving the rear sight from the barrel to the receiver, some zeroing issues might arise. Alternate front sight heights are available and covered under XS' No Questions Asked Warranty. For use with Lever Rail only.

Safety Instruction Guide for GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS

Introduction

Thank you for choosing the GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS. This guide provides important safety information, installation instructions, and usage tips to ensure that you can enjoy your product safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the GHOST RING SIGHTS by following all instructions provided in this guide.
- Be aware of the potential hazards associated with the use of sight systems, including but not limited to:
 - Improper installation leading to misalignment.
 - Incorrect adjustments resulting in inaccurate shooting.
- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the GHOST RING SIGHTS with compatible models, specifically the Henry .357 with a round barrel and screwon front sight.
- Do not attempt to install the sights on models with front sight blades dovetailed directly into the barrel.
- Ensure that the rear sight is properly moved from the barrel to the receiver to avoid zeroing issues.
- When adjusting the sights for windage and elevation, do so gradually and test for accuracy after each adjustment.
- Use appropriate eye and ear protection when using your firearm equipped with the sight system.
- Be aware that the XS White Stripe front sight is designed for visibility but may not be suitable for all lighting conditions. Test visibility before use.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight blade and ramp from your Henry .357 firearm.
- Align the XS Ghost Ring WS with the dovetail on the receiver.
- Securely attach the sight to the dovetail, ensuring it is properly seated.
- Adjust the rear sight as needed, following the provided instructions for windage and elevation.
- Test the installation by aiming at a target and adjusting as necessary.

2. Usage Instructions:

- Familiarize yourself with the sight system before using it in the field.
- Practice sight acquisition in a safe environment to become accustomed to the sight picture.
- Always verify zeroing before engaging in any shooting activities.
- If you experience any issues with sight alignment or accuracy, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new sight system responsibly.
