

# **HOST RING SIGHTS FOR HENRY - XS SIGHT SYSTEMS HENRY HOST RING SIGHT SET .44 CALIBER WITH RAMP**

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

The XS Ghost Ring WS hunting sights pairs with XS Lever Rail HN-6000R-N to offer improved accuracy and faster sight acquisition in a rugged all-steel design. Fits Henry .357 with round barrel and screw on front sight. Does not fit models with front sight blade dovetailed directly into the barrel. Precision machined in Fort Worth, TX. XS Ghost Ring WS is fully adjustable for windage and elevation and comes with two apertures, .230" and .191" inside diameter, for different lighting conditions. The large Ghost Ring affords great field of view for fast target acquisition. The XS White Stripe (WS) front sight replaces the existing blade and ramp and features a blued steel body with a painted white stripe face. White on black front post is highly visible in all lighting conditions, as well as provides contrast against any color background. Due to moving the rear sight from the barrel to the receiver, some zeroing issues might arise. Alternate front sight heights are available and covered under XS' No Questions Asked Warranty. For use with Lever Rail only.

## **Attributes**

# Safety Instruction Guide for GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS

## Introduction

Thank you for choosing the GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS. This safety instruction guide is designed to help you use the product safely and effectively. Please read this guide carefully before installation and use to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- If purchasing online, be assured that the same safety protections apply as in physical stores.
- Extra safeguards are in place for vulnerable groups, including children.
- For any safety inquiries, refer to the EU-based contact point provided with your product.
- Stay informed about unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Use the sights only with compatible models specified in the product description.
- Avoid using the product in conditions where visibility is severely impaired.
- Regularly check the sights for any signs of wear or damage before use.
- Do not attempt to modify the sights or install them in a manner not recommended by the manufacturer.
- Ensure that the sights are securely attached to prevent any movement during use.
- Be cautious when adjusting the sights to avoid injury from sharp edges or moving parts.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Prepare the Firearm:** Ensure that the firearm is completely unloaded. Remove any ammunition and doublecheck that it is safe to handle.
3. **Remove Existing Front Sight:** If applicable, carefully remove the existing front sight according to the manufacturer's instructions.
4. **Attach the XS Ghost Ring Sight:**
  - Align the sight with the mounting point on your firearm.
  - Securely fasten the sight using the screws provided, ensuring it is tight but not overtorqued.
5. **Adjust for Windage and Elevation:** Use the provided apertures to adjust the sight for windage and elevation based on your shooting needs.
6. **Test the Installation:** Perform a visual inspection and a function check to ensure the sight is securely attached and properly aligned.

### Usage Instructions

- Always follow safe firearm handling practices when using the sight.
- Use the large Ghost Ring for fast target acquisition, ensuring you have a clear field of view.
- Adjust the apertures based on lighting conditions to maintain clarity and visibility.
- After installation, take a few practice shots to ensure that the sight is properly zeroed and functioning as intended.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household trash.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS, please refer to the contact information provided with your product. It is important to reach out to the manufacturer or authorized dealers for assistance and support.

By following these guidelines, you can ensure a safe and enjoyable experience with your GHOST RING SIGHTS FOR HENRY XS SIGHT SYSTEMS. Thank you for your attention to safety!
