

# UNIVERSAL VENT RIB STANDARD DOT BEAD SIGHT - XS SIGHT SYSTEMS UNIVERSAL STANDARD DOT SHOTGUN VENT RIB ORANGE

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Universal Vent Rib Shotgun - Standard Dot At last, a replacement shotgun bead that will stay on your gun! The XS Vent Rib replacement bead is bright, durable, and an easy DIY install for all shooters. The universal fit design utilizes a friction tapper lock design that will securely hold the bead on the barrel for countless hunts or thousands of clays. The brass post comes in three sizes to cover the majority of shotgun threads available. The green or orange photoluminescent Ember Glow Dot is brighter than fiber optic light pipes in daylight and the dot glows in low light to enhance visibility during dusk or dawn hunts. Product Features: Permanent DIY shotgun front sight replacement - No magnets or special gunsmithing tools for proper timing Universal shotgun vent rib (5-40, M2.5X.45, M3X.5) Fits: Mossberg, Remington, Beretta, Benelli, CZ, Browning, and Stoeger Vent Rib Shotguns Durable sight design will not break from use, weather, or cleaning chemicals. Photoluminescent Green or Orange dot provides high visibility in bright light and glows in low light. Product Specs: Overall Height: 0.165" Overall Width: 0.165" No Gunsmith Required. No face cutter needed for proper timing. The easy two step installation process makes this DIY install a breeze. Simply screw one of the three threaded posts into the barrel, slide the bead onto the post, and tap the top of the bead with a mallet.

# Safety Instruction Guide for the UNIVERSAL VENT RIB STANDARD DOT BEAD SIGHT

## Introduction

Thank you for choosing the UNIVERSAL VENT RIB STANDARD DOT BEAD SIGHT from XS SIGHT SYSTEMS. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a shotgun front sight replacement.
- Always handle firearms and accessories with care. Follow all safety protocols for handling firearms.
- Regularly inspect the sight for any damage or wear before each use.
- Keep the product away from children and unauthorized users to prevent accidents.
- Be aware of your surroundings when using the shotgun to ensure a safe shooting environment.
- Follow local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Do not attempt to use the sight if it is damaged or if the installation has not been performed correctly.
- Avoid using cleaning chemicals that may damage the sight. Use only recommended cleaning methods.
- Always ensure that the shotgun is unloaded when installing or adjusting the sight.
- When installing, ensure that the threaded post is securely fastened to prevent it from loosening during use.
- The photoluminescent dot is designed for visibility but should not be relied upon for complete safety. Always remain vigilant.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the shotgun is unloaded and in a safe condition.
- Gather the necessary tools: a mallet and the appropriate size threaded post.

### 2. Installation Steps:

- Select one of the three threaded posts that fit your shotgun's barrel.
- Screw the chosen post into the barrel firmly.
- Slide the bead onto the post.
- Tap the top of the bead gently with a mallet to secure it in place.

### 3. Usage:

- Once installed, ensure the sight is aligned properly for accurate aiming.
- Use the sight during shooting practice to become familiar with its features.
- Check the sight's stability before each use, especially after transportation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal.

disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's customer support resources. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority. Enjoy your shooting experience with the UNIVERSAL VENT RIB STANDARD DOT BEAD SIGHT.
