

# FLAT FACE FORWARD SET TRIGGER SET FOR S&W M&P M2.0 - APEX TACTICAL SPECIALTIES INC FLAT FACE FORWARD SET TRIGGER KIT ALUMINUM S&W M&P M2.0 BLK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Products Included: (1 each - 13 total pieces in the package) A) Aluminum Flat-Faced Forward Set Trigger Metal Frame Specific Safety included B) Apex Forward Set Sear Actuator C) Apex Fully Machined 2-Dot Sear D) Ultimate Striker Block Kit (Striker Block, Spring and Apex Rear Sight Tool) E) Forward Set Spring Kit for M2.0 (Heavy Sear Spring, Duty/Carry Sear Spring, Heavy Trigger Return Spring, Duty/Carry Trigger Return Spring, Polymer Slave Pin, and Sear Plunger\*) \*You must install the Apex provided Sear Plunger with the trigger kit. We include a Sear Plunger with this kit, though the factory configuration does not utilize a Sear Plunger. The Orange Spring paired with our plunger matches the force of the factory Green Sear Spring without a plunger. What It Does: Nothing compares to the performance that comes from the patented Apex Forward Set Trigger Kit. This kit is engineered to provide the M&P M2.0 pistol owner with a smooth, consistent trigger pull with the advantages of shorter over-travel and shortened trigger reset. Using a combination of the Apex springs and factory sear and trigger return springs allows the user to set the trigger pull weight within a range suitable for duty/carry down to a weight desired for competition. Together, this drop-in trigger kit will: Expected Results: Trigger Pull Weight adjustable to approx. 3.3 and 5.5 lbs depending on the springs installed. Reduce overall trigger travel by approximately 40% Reduce trigger pre-travel, over-travel and reset distance Smooth uptake and reset Crisp trigger break Center mounted pivoting safety maintains factory safety values Direct drop-in replacement parts, no fitting required Tested and Passed Apex's Extensive Drop Testing parameters. Applicable to What Guns: For use in the Smith & Wesson M&P M2.0 Metal Frame pistols including the "Competitor" and "Metal" (Not for use in the original M&P, or in any M&P Shield models)

# Safety Instruction Guide for FLAT FACE FORWARD SET TRIGGER SET FOR S&W M&P M2.0

## Introduction

Thank you for choosing the FLAT FACE FORWARD SET TRIGGER SET for your Smith & Wesson M&P M2.0. This product is designed to enhance your shooting experience by providing a smoother and more consistent trigger pull. However, safety is paramount. This guide provides essential safety instructions, installation guidance, and disposal information to ensure safe use of the product.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the trigger set kit and all components out of reach of children and unauthorized users.
- Use the product only in accordance with the manufacturer's guidelines.
- Regularly check for any wear or damage to the trigger components.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use this trigger kit with the Smith & Wesson M&P M2.0 Metal Frame pistols.
- Do not attempt to install the trigger kit on any other firearm model, including the original M&P or M&P Shield models.
- Ensure that the firearm is unloaded before starting the installation process.
- Wear appropriate safety gear, such as eye protection, during installation.
- Follow all local laws and regulations regarding firearm modifications.
- If you are inexperienced with firearm modifications, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all tools and components included in the trigger kit.

#### 2. Remove the Factory Trigger:

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the factory trigger and associated components.

#### 3. Install the Apex Trigger Kit:

- Install the Aluminum FlatFaced Forward Set Trigger into the metal frame.
- Attach the Apex Forward Set Sear Actuator and Fully Machined 2Dot Sear.
- Install the Ultimate Striker Block Kit, ensuring all parts are seated correctly.
- Use the Forward Set Spring Kit components as specified for your desired trigger pull weight.

#### 4. Install the Sear Plunger:

- It is mandatory to install the Apex provided Sear Plunger with the trigger kit.

- Ensure that the Orange Spring is used with the plunger to match the factory settings.

## 5. Reassemble the Firearm:

- Carefully reassemble the firearm, ensuring all components are securely in place.
- Conduct a function check to ensure proper operation of the trigger.

## Usage Guidelines

- Familiarize yourself with the new trigger pull weight and characteristics.
- Regularly practice safe handling and operation of your firearm.
- Monitor the performance of the trigger and report any irregularities immediately.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of the trigger kit or any of its components in regular household waste.
- Consult local guidelines for the disposal of firearm components and hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or installation of the FLAT FACE FORWARD SET TRIGGER SET, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your FLAT FACE FORWARD SET TRIGGER SET. Always prioritize safety and responsible firearm handling.
