

# RIFLE FACTORY CRIMP DIES - LEE PRECISION 8.6 BLACKOUT FACTORY CRIMP DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Lee Factory Crimp Die crimps the bullet in place more firmly than any other tool Tests demonstrate that even bullets which have no crimp groove will shoot more accurately A firm crimp improves accuracy because pressure must build to a higher level before the bullet begins to move. This higher start pressure insures a more uniform pressure curve and less velocity variation Features a collet that squeezes the case mouth into the crimping groove for a firm hold Shellholder not included Fits all 7/8"-14 reloading presses

## Attributes

- Name: [LEE PRECISION 8.6 BLACKOUT FACTORY CRIMP DIE](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 430109251
- Mfr. No.: 91924
- Cartridge: 8.6 Blackout
- Die Style: Factory Crimp Die
- Delivery weight: 0.136kg
- Shipping height: 38mm
- Shipping width: 38mm
- Shipping length: 121mm

# **Safety Instruction Guide for RIFLE FACTORY CRIMP DIES LEE PRECISION 8.6 BLACKOUT FACTORY CRIMP DIE**

## **Introduction**

Thank you for choosing the RIFLE FACTORY CRIMP DIES LEE PRECISION 8.6 BLACKOUT FACTORY CRIMP DIE. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this manual thoroughly before use.

## **General Safety Guidelines**

- Always ensure that you are using the die in a wellventilated area.
- Keep the die out of reach of children and pets.
- Use the die only for its intended purpose, which is to crimp bullets securely in place.
- Regularly inspect the die for any signs of wear or damage before use.
- Store the die in a safe and dry location when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Ensure that your reloading press is compatible with the 7/8"14 threading of the die.
- Always wear appropriate safety gear, including safety glasses, when operating reloading equipment.
- Do not exceed the recommended load limits for your specific cartridges.
- Avoid using the die with wet or contaminated cases to prevent malfunction.
- Ensure that all components are clean and free from obstructions before crimping.
- Keep hands and other body parts clear of the die during operation to avoid injury.
- If you are unsure about any aspect of using the die, consult a knowledgeable source or professional before proceeding.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Securely attach the die to your reloading press using the 7/8"14 threading.
- Ensure the die is tightened properly to avoid any movement during use.
- Install a suitable shellholder for the 8.6 Blackout cartridge (not included) in your reloading press.

### **2. Usage:**

- Prepare your cartridges by ensuring they are clean and dry.
- Place the cartridge case into the shellholder.
- Adjust the die to the desired crimp setting based on your specific bullet type.
- Operate the reloading press to apply the crimp to the bullet. Ensure that the crimp is firm and secure.
- Inspect the crimped bullet to ensure proper seating and alignment.
- Repeat the process for additional cartridges as needed.

## **Disposal Instructions**

- Dispose of any damaged or unusable components of the die according to local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die in general waste. Follow your local guidelines for hazardous materials if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFLE FACTORY CRIMP DIES LEE PRECISION 8.6 BLACKOUT FACTORY CRIMP DIE, please reach out to your retailer or manufacturer for assistance. Always refer to the product documentation for specific inquiries related to safety and usage.

By following these guidelines, you can help ensure a safe and effective reloading experience. Thank you for your attention to safety and compliance.
