Safety Instruction Guide for BREECH LOCK RIFLE COLLET NECK SIZER DIES

Introduction

Thank you for choosing the BREECH LOCK RIFLE COLLET NECK SIZER DIES by Lee Precision. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose: neck sizing for the 4570 Government cartridge.
- Always wear appropriate safety gear, including eye protection, while using the die.
- Keep the workspace clean and organized to avoid accidents.
- Store the die in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the die for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Always ensure that the reloading press is securely mounted before use.
- Do not attempt to modify the die or use it in any way other than as specified by the manufacturer.
- Avoid using excessive force when sizing cases to prevent damage to the die and ensure accurate results.
- Be aware of the potential for lead exposure when handling ammunition components. Wash hands thoroughly after use.
- If you experience any unusual resistance or difficulty while using the die, stop immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure your Lee Breech Lock reloading press is properly set up and securely mounted.
- Remove any existing dies from the press if necessary.
- Insert the Breech Lock Collet Neck Sizer Die into the Breech Lock bushing of your press.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Prepare your 4570 Government casings by cleaning and inspecting them for damage.
- Place a casing in the shell holder of the press.
- Raise the ram to bring the casing into contact with the die.
- Slowly lower the ram to size the neck of the casing. Ensure that the casing is aligned properly.
- Once the sizing is complete, lower the ram fully and remove the sized casing.
- Repeat the process for additional casings as needed.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not discard the die in regular household waste. Check with local waste management authorities for proper disposal methods.
- Consider recycling any metal components if applicable.

Contact Information for Further Support

For further assistance or inquiries regarding the BREECH LOCK RIFLE COLLET NECK SIZER DIES, please refer to the manufacturer's website or contact their customer service. It is important to have a reliable contact for any safety concerns or productrelated questions.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective reloading experience with the BREECH LOCK RIFLE COLLET NECK SIZER DIES. Always stay informed about safety practices and check for any product recalls or updates through appropriate channels. Thank you for your attention to safety.
