

# SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22 - KIDD INNOVATIVE DESIGN SINGLE STAGE TRIGGER UNIT FOR RUGER10/22 SILVER EXTENDED

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Experience the premium manufacturing of Kidd Innovative Design's Single Stage Trigger Unit. This quick upgrade will give you a superior break without any needed gunsmithing to install. This aftermarket 10/22 trigger is designed to adjust from 1 1/2 pounds to 5 pounds with the turn of a screw. It comes standard in a matte glare free finish silver or black anodized aluminum with our redesigned auto bolt release and interchangeable magazine lever system. The KIDD single stage trigger guard is CNC machined from billet to Tony's specifications. Always following the KIDD Quality of closely held tolerances enabling the cleanest breaking single stage in the industry. How is this different from our two stages? This single stage more closely matched the traditional function of the factory trigger except with a refined feel and adjustability. The KIDD two stage has a travel stage where the trigger blade moves rearward for about a 1/4 of an inch before it comes to the breaking stage. Because of this travel stage our two-stage trigger is able to be reduced in weight to only 6 ounces versus the lowest weight for our single stage is 1 1/2 pounds. FEATURES: Aftermarket Replacement Trigger Unit for the 10/22 Easy Upgrade Improve your Accuracy with a Great Breaking Trigger Great new look!

# Safety Instruction Guide for SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22

## Introduction

Thank you for choosing the SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22 by KIDD INNOVATIVE DESIGN. This product is designed to enhance your shooting experience with improved trigger performance. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and trigger unit securely, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when handling firearms.
- Regularly inspect your trigger unit for signs of wear or damage.
- Ensure that you are familiar with local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation of the trigger unit.
- Do not attempt to modify or disassemble the trigger unit beyond what is described in the installation instructions.
- Use only compatible firearms with the SINGLE STAGE TRIGGER UNIT. This product is designed specifically for the Ruger 10/22.
- Be cautious of the trigger weight adjustment. Always start with a higher weight setting and gradually adjust to your preference.
- If you experience any malfunctions or unusual behavior from the trigger unit, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other tools specified in the installation instructions.

### 2. Installation:

- Remove the existing trigger assembly from the Ruger 10/22 following the manufacturer's instructions.
- Carefully install the SINGLE STAGE TRIGGER UNIT into the receiver, ensuring it fits securely.
- Adjust the trigger weight using the adjustment screw. Start with a setting of 5 pounds and adjust downwards as needed.
- Reassemble the firearm, ensuring all components are properly secured.

### 3. Testing:

- Conduct a function check of the firearm in a safe environment.
- Ensure that the trigger operates smoothly and that the firearm discharges as expected when the trigger is pulled.

#### **4. Usage:**

- Always adhere to safe firearm handling practices during use.
- Regularly check the trigger unit for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the SINGLE STAGE TRIGGER UNIT in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22, please consult the manufacturer or a qualified firearms expert. It is important to ensure safe handling and usage of all firearm accessories.

## **Conclusion**

By following these safety instructions, you can enjoy the enhanced performance of your SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22 while ensuring the safety of yourself and those around you. Always prioritize safety and responsible firearm use.
