

SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22 - KIDD INNOVATIVE DESIGN SINGLE STAGE TRIGGER UNIT FOR RUGER10/22 SILVER/BLK EXTENDED

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Experience the premium manufacturing of Kidd Innovative Design's Single Stage Trigger Unit. This quick upgrade will give you a superior break without any needed gunsmithing to install. This aftermarket 10/22 trigger is designed to adjust from 1 1/2 pounds to 5 pounds with the turn of a screw. It comes standard in a matte glare free finish silver or black anodized aluminum with our redesigned auto bolt release and interchangeable magazine lever system. The KIDD single stage trigger guard is CNC machined from billet to Tony's specifications. Always following the KIDD Quality of closely held tolerances enabling the cleanest breaking single stage in the industry. How is this different from our two stages? This single stage more closely matched the traditional function of the factory trigger except with a refined feel and adjustability. The KIDD two stage has a travel stage where the trigger blade moves rearward for about a 1/4 of an inch before it comes to the breaking stage. Because of this travel stage our two-stage trigger is able to be reduced in weight to only 6 ounces versus the lowest weight for our single stage is 1 1/2 pounds. FEATURES: Aftermarket Replacement Trigger Unit for the 10/22 Easy Upgrade Improve your Accuracy with a Great Breaking Trigger Great new look!

Safety Instruction Guide for SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22

Introduction

Thank you for choosing the SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22 by KIDD INNOVATIVE DESIGN. This product is designed to enhance your shooting experience with improved accuracy and a superior break. However, it is essential to follow safety guidelines to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Ensure that all firearms are handled with care and respect.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the trigger area clear of obstructions when installing or adjusting the trigger unit.
- Store your firearm and trigger unit in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Familiarize yourself with your firearm's manual and the specific instructions provided with this trigger unit.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the firearm is unloaded before beginning installation.
- **Adjustment Safety:** Make adjustments to the trigger unit only when the firearm is pointed in a safe direction.
- **Testing Safety:** After installation, test the trigger in a controlled environment to ensure proper function before taking it to the range.
- **Child Safety:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver.

2. Installation Steps:

- Remove the existing trigger from the Ruger 10/22 following the manufacturer's instructions.
- Carefully install the SINGLE STAGE TRIGGER UNIT by aligning it with the trigger housing.
- Securely fasten the trigger unit using the provided screws, ensuring it is tightly in place.
- Adjust the trigger weight using the adjustment screw, turning it clockwise to increase weight and counterclockwise to decrease weight.

3. PostInstallation:

- Once installed, perform a function check to ensure that the trigger operates smoothly.
- Test the trigger in a safe environment, ensuring it breaks cleanly and functions as intended.

4. Usage:

- Always maintain a proper shooting stance and grip when using the firearm.

- Be aware of your surroundings and ensure a clear line of sight before firing.
- Regularly inspect the trigger unit for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the trigger unit becomes damaged or is no longer in use, dispose of it responsibly. Check local guidelines for hazardous waste disposal if necessary.

Contact Information for Further Support

For any inquiries or support regarding the SINGLE STAGE TRIGGER UNIT FOR RUGER 10/22, please refer to the manufacturer's contact information provided with your product.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your new trigger unit. Thank you for prioritizing safety and responsible firearm usage.
