# Safety Instruction Guide for MAGAZINE LATCH PLUNGER AND SPRING FOR RUGER 10/22

## Introduction

Thank you for choosing the MAGAZINE LATCH PLUNGER AND SPRING FOR RUGER 10/22 by KIDD Innovative Design. This product is designed to enhance the stability and functionality of your magazine latch system. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that all components are compatible with your Ruger 10/22 firearm before installation.
- Always handle firearms and firearm accessories with care and follow standard safety practices.
- Store this product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if any parts are defective.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the magazine latch plunger and spring as intended. Do not modify the product.
- Ensure the firearm is unloaded before installation or maintenance.
- Wear safety glasses during installation to protect your eyes from potential debris.
- Keep fingers and other body parts clear of moving parts during operation.
- If you are unsure about any aspect of the installation or use, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool for removing the magazine lever pin.

### 2. Removal of the Old Magazine Latch Plunger

- Push out the magazine lever pin using a punch tool.
- Pull the magazine lever down while slightly pressing in on the magazine latch plunger.
- Once the magazine lever is out, the plunger will pull out of the trigger guard completely.

### 3. Installation of the New Magazine Latch Plunger

- Slip the new magazine latch plunger into the included spring.
- Slide the assembly into the trigger guard.
- While holding the plunger slightly depressed, put the magazine lever back into place, ensuring it fits properly in the cutout of the plunger.
- Reinsert the magazine lever pin to hold everything in place.

### 4. Testing the Installation

- Function the magazine lever to ensure that the plunger retracts properly.
- Check for smooth operation and secure fit of all components.

## **Disposal Instructions**

- Dispose of any old or defective parts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs that accept metal and plastic materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's website or contact your local distributor.

By following these safety instructions, you can ensure a safe and effective experience with your MAGAZINE LATCH PLUNGER AND SPRING FOR RUGER 10/22. Always prioritize safety and consult professionals when in doubt.
