Tyrant Design's Glock 43x Extended Magazine Release / Glock 48 Extended Magazine Release is CNC Machined from aerospace-grade aluminum and merges flawlessly with the ergonomics and styling of your G43x/48 handgun. In addition to functioning exactly like an OEM release, the profile of their Glock 43x and 48 Extended Mag Release is slightly raised with chamfered edges which helps ensure that you eject your Glock 43x or 48 magazines quickly and with ease! Fit, finish and overall quality is nothing but the best on their Glock 43x magazine catch / Glock 48 magazine catch. Install happens in seconds and the chevron pattern adds just the perfect amount of texture to release your Glock magazine! Like their other Tyrant Designs products this is manufactured 100% in the USA! Whether you are an avid concealed carrier, an active competitive shooter or anything in between, their Glock 43x/48 Extended Magazine Release is the best money can buy! \*\* DOES NOT FIT THE GLOCK 43\*\* Works as a Glock 43x magazine release Works as a glock 48 magazine release

# **Safety Instruction Guide for EXTENDED MAGAZINE RELEASES FITS SA15 MAGS FOR GLOCK® 43X/48**

## **Introduction**

Thank you for choosing the EXTENDED MAGAZINE RELEASES for your Glock® 43X/48. This guide provides essential safety instructions and guidelines to ensure the proper use and handling of your product. Please read this document carefully before installation and use.

## **General Safety Guidelines**

- Ensure that the product is used only with compatible Glock models (Glock 43X and Glock 48).
- This product is not compatible with Glock 43.
- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine release for wear or damage. Replace if necessary.
- In case of any malfunction, discontinue use immediately and consult a qualified gunsmith.

## **Specific Safety Precautions for Use**

- Always ensure your firearm is unloaded before installing or modifying any components.
- Do not use excessive force when installing or operating the magazine release.
- Avoid using the product in adverse conditions (e.g., extreme temperatures, moisture) that may affect its performance.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- If you experience difficulty in magazine release operation, do not attempt to force it. Seek assistance from a qualified professional.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that your Glock 43X or Glock 48 is unloaded.
- Gather necessary tools for installation (if required).

### **2. Installation:**

- Carefully remove the existing magazine release according to the manufacturer's instructions.
- Align the EXTENDED MAGAZINE RELEASE with the magazine catch slot.
- Gently press the magazine release into place until it is securely fitted.
- Check the alignment and ensure it operates smoothly without obstruction.

### **3. Usage:**

- To release the magazine, press the magazine release button with your thumb.
- Practice using the magazine release in a safe environment to become familiar with its operation.
- Always ensure that your firearm is pointed in a safe direction when operating the magazine release.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the EXTENDED MAGAZINE RELEASES, please refer to the manufacturer's contact details provided with your product packaging or visit their official website for more information.

Thank you for following these safety guidelines. Your safety and the safety of others depend on responsible handling and use of your firearm and accessories.
