

# ENHANCED TAKEDOWN PINS FOR AR-15 - TYRANT CNC ENHANCED TAKEDOWN PINS FOR AR-15 GOLD

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Pins](#)

Tyrant Design's AR-15 Enhanced takedown pins are a mil-spec drop-in replacement for any standard AR-15 platform. Manufactured from 7075 aluminum these AR takedown pins offer a chamfered radius for a true "no tools" required install and uninstall! Shop confidently when purchasing their lightweight and robust AR-15 takedown pins! Chamfered Radius Feature Tyrant Designs chose to add a chamfered radius around the entire diameter of their AR Pins in order to allow the operator enough surface area and leverage for a no-tool install/uninstall. You can now take down your AR-15 in seconds whether you are in your man cave or out in the field! Anodized in Tyrant ColorWays Available in their spectrum of color offerings, all of their takedown pivot pins are bead blasted and hardcoat anodized, providing the color and durability that has become synonymous with Tyrant products. Chevron Pattern To top off the design Tyrant Designs added their Tyrant design language chevron cut treatment to the front of the pin sets, as well as a dimple at the rear of the pin. SPECS Platform: AR-15 Designed For Models: AR-15 Fitment Notes: Any mil-spec/standard AR \*Does NOT Include Detents or Springs\* Component: Takedown Pin

# Safety Instruction Guide for ENHANCED TAKEDOWN PINS FOR AR15

## Introduction

Thank you for choosing the Tyrant Design's AR15 Enhanced Takedown Pins. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide thoroughly before using the takedown pins.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the guidelines provided.
- Keep all components out of reach of children and vulnerable individuals.
- Regularly inspect the takedown pins for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Always ensure that the firearm is unloaded before attempting to install or uninstall the takedown pins.
  - Use caution when handling the pins to avoid injury from sharp edges.
- **Operational Safety:**
  - Ensure that you have a clear understanding of the installation process to avoid mishandling.
  - Do not force the pins during installation or removal as this may cause damage.
- **Environmental Safety:**
  - Avoid using the product in wet or damp conditions to prevent corrosion.
  - Store the takedown pins in a dry place when not in use to maintain their integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your AR15 is completely unloaded and pointed in a safe direction.
- Gather necessary tools, if any, for installation (though tools are not required for this product).

### 2. Installation:

- Locate the existing takedown pins on your AR15.
- Align the chamfered radius of the new takedown pins with the existing pin holes.
- Gently press the pins into place until they are fully seated. The design allows for a notool installation.
- Ensure that the pins are secure and do not protrude excessively from the firearm.

### 3. Usage:

- To remove the takedown pins, simply pull on the pins gently until they disengage from the pin holes.
- Always ensure that the firearm is in a safe state before performing any takedown procedures.

### 4. PostInstallation Check:

- After installation, check that the takedown pins are functioning correctly by attempting to engage and disengage them.
- Ensure that all components are securely in place and that there are no loose parts.

## **Disposal Instructions**

- Dispose of any packaging materials according to local regulations.
- If the takedown pins are damaged beyond repair, follow local hazardous waste disposal guidelines to ensure safe disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the appropriate contact point as required by EU regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of others is of utmost importance when using any firearm accessories. Enjoy your enhanced takedown pins responsibly!
