[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Level up your AR Grip game with the all new aluminum & rubber Concept One AR Grip! Read on to figure out why this is the best AR-15 grip on the market! Starting from a block of aerospace aluminum this AR grip is machined in 5 different operations. Known for their skeletonized AR grips Tyrant Designs begun this project with the goal of having a comfortable grip that sits firmly within your palm swells. From small to larger hands the Concept One grip offers the ergonomics of a traditional plastic/rubber grip with the aesthetics only aluminum can provide. It features a reduced angle for more modern stances with a single finger groove cut out. Match it with any of their angled grips for the perfect combination! How does it install? All of their AR Grips are a drop in replacement on any platform that takes AR styled Grips. Go to their install page to see exactly how. Why choose this hand grip? Soft rubber front and back straps give the perfect level of comfort and feedback. The aluminum frame offers unparalleled aesthetics. The Concept One AR Series pistol grip is the ultimate combination of ergonomics, sleek design, functionality, and affordability. With soft durometer rubber straps covering almost all the way around the aluminum grip it is the most comfortable skeletonized aluminum AR-15 Grip on the market today! SPECS Platform: AR-15 Series: CONCEPT ONE GRIP Designed For Models: AR-10, AR-15, AR.380, M4, M16 Component: Grip

Safety Instruction Guide for CONCEPT ONE GRIP FOR AR15

Introduction

Thank you for choosing the Concept One Grip for AR15. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new grip. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the grip is compatible with your AR15 model before installation.
- Always handle firearms safely and responsibly.
- Keep the grip and all firearm components out of reach of children and unauthorized users.
- Inspect the grip regularly for any signs of wear or damage.
- Do not modify the grip in any way, as this may compromise safety and performance.
- Follow the manufacturer's instructions for installation and usage.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Ensure that the firearm is unloaded before attaching or removing the grip.
- Be aware of your surroundings when handling firearms, especially in public or crowded areas.
- Do not use the grip if it appears damaged or compromised.
- If you experience any discomfort while using the grip, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Gather the necessary tools (if required) for grip installation.

2. Installation Steps

- Remove the old grip by unscrewing it from the lower receiver.
- Align the Concept One Grip with the mounting points on the lower receiver.
- Secure the grip in place using the provided screws, ensuring it is tightened but not overtightened.

3. Usage Instructions

- Hold the firearm with a firm grip on the Concept One Grip.
- Practice safe shooting techniques and maintain proper firearm handling at all times.
- Regularly check the grip for tightness and integrity during use.

Disposal Instructions

- Dispose of the grip in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling materials where applicable.
- Do not dispose of the grip in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or support related to the Concept One Grip for AR15, please refer to the manufacturer's contact information provided with your product packaging. Ensure to keep this guide for future reference.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Concept One Grip for AR15. Thank you for your attention to safety.
