

MAGWELL FOR GLOCK® GEN-3 17/22/31/34/35 - TYRANT CNC

MAGWELL FOR GLOCK 17/22/31/34/35 GEN 3 BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen3 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

Attributes

MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 TYRANT CNC MAGWELL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Tyrant Designs Magwell for Glock Gen3 models 17, 22, 31, 34, and 35. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully to understand the safety guidelines, installation instructions, and proper usage of the magwell.

General Safety Guidelines

- Always handle your firearm with care and in accordance with local laws and regulations.
- Ensure that your firearm is unloaded before installing or handling the magwell.
- Keep the magwell and firearm out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of damage or wear.
- Do not modify the magwell or firearm in any way that could compromise safety.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magwell is properly installed before use to avoid accidents.
- Familiarize yourself with the loading and unloading process using the magwell.
- Practice reloading with the magwell in a safe environment to build confidence.
- Avoid using the magwell in adverse weather conditions that may affect grip or handling.
- If you experience any issues with the magwell, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Ensure that your Glock is unloaded and the magazine is removed.
2. Align the magwell adapter with the grip of the Glock.
3. Press the magwell firmly into place until it is securely attached.
4. Use the provided set screw to secure the magwell, ensuring it is tightened appropriately.
5. Check that the magwell is firmly in place and does not move.

Usage

- To load a magazine:
 1. Hold the firearm with one hand and the magazine with the other.
 2. Angle the magazine towards the magwell opening.
 3. Press the magazine into the magwell, allowing the funnel shape to guide it into place.
 4. Ensure the magazine is fully seated before attempting to fire.
- To unload:
 1. Remove the magazine by pressing the magazine release button.
 2. Ensure the chamber is empty before setting down the firearm.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations.
- Do not dispose of the magwell in regular household waste if it is damaged or defective.

- Check for recycling options for aluminum materials in your area.

Contact Information for Further Support

For additional support or inquiries regarding safety, installation, or usage, please contact your local dealer or refer to the manufacturer's website for assistance.

By following these safety instructions, you ensure not only your own safety but also the safety of others around you. Always prioritize safe handling and maintenance of your firearm and accessories. Thank you for your attention to these important guidelines.
