

# T-COMP COMPENSATOR FOR GLOCK® 43/43X/48 - TYRANT CNC T-COMP COMPENSATOR FOR GLOCK 43/43X/48 BLACK W/BLACK SCREW

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

The Tyrant Designs CNC Glock 43 & 43x Compensator, known as the Glock 43 T-Comp, dramatically reduces muzzle rise and sensed recoil, allowing much quicker target re-acquisition. Compatible with 1/2-28 threaded barrels their compensator requires no modification to your 9mm Glock. The G43 T-Comp works on all Glock 43's including the 43x and will function using almost any grain ammunition. The real ingenuity is in how the T-Comp is installed. Utilizing a two-piece design their Glock comp installs securely in seconds WITHOUT the need for set screws or any other faulty attachment methods. Working on a concept focused on uncompromised innovation allowed considerable engineering freedom in developing significant solutions. Once attached, the Tyrant Compensator will not come loose while operating your firearm, or while holstering/unholstering it. Whether you are a range day goer or competitive shooter, Tyrant Designs is confident their Glock compensator not only outperforms the competition but sets a new standard for compensator innovation. Platform: Glock Designed For Models: G43, G43X, G48 Glock Generation: Generation 4, Generation

## Attributes

- Name: [TYRANT CNC T-COMP COMPENSATOR FOR GLOCK 43/43X/48 BLACK W/BLACK SCREW](#)
- Manufacturer: [TYRANT CNC](#)
- Product no.: 430109412
- Mfr. No.: TD-G43COMP-BLK/BLK
- Model: 48,43X,43
- Weapon type: Glock
- Delivery weight: 0.109kg
- Shipping height: 146mm
- Shipping width: 44mm
- Shipping length: 108mm

# TCOMP Compensator Safety Instruction Guide

## Introduction

Thank you for choosing the TCOMP Compensator for your Glock® 43, 43X, or 48. This guide provides essential safety instructions, installation procedures, and usage tips to ensure a safe and effective experience with your product. Please read this manual carefully before use.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of your TCOMP Compensator. This product is designed for nonfood applications and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any product recalls. Regularly check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller adheres to the same safety standards as physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Be aware of safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:** Only use the TCOMP Compensator with Glock® models 43, 43X, and 48.
- **Ammunition:** Ensure the use of appropriate 9mm ammunition. Always check the specifications before loading.
- **Installation:** Follow the installation instructions carefully to avoid any hazards associated with improper attachment.
- **Regular Inspections:** Periodically inspect the compensator for any signs of wear or damage.
- **Handling:** Always treat your firearm as if it is loaded. Keep the compensator and firearm pointed in a safe direction when handling.
- **Environmental Considerations:** Avoid using the compensator in adverse weather conditions which may affect its performance.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Threaded Barrel:** Confirm that your Glock has a 1/28 threaded barrel.
3. **Remove Existing Components:** If applicable, remove any existing compensators or muzzle devices from the barrel.
4. **Align the Compensator:** Position the TCOMP Compensator over the threaded barrel.
5. **Secure Attachment:** Handtighten the compensator onto the barrel threads. Ensure it is securely fastened without the need for set screws or additional attachments.
6. **Final Check:** Once installed, check that the compensator is secure and does not move when the firearm is handled.

### Usage Tips

- **Muzzle Rise Reduction:** The TCOMP Compensator is designed to reduce muzzle rise and recoil. Practice shooting to become accustomed to its effects.
- **Target Reacquisition:** Take advantage of the compensator's features to improve your target reacquisition times.
- **Regular Maintenance:** Clean the compensator regularly to ensure optimal performance.

## Disposal Instructions

- **Product Disposal:** When disposing of the TCOMP Compensator, follow local regulations for metal and firearm accessory disposal.
- **Environmental Responsibility:** Do not dispose of the product in regular household waste. Instead, take it to a designated recycling center if available.

## Contact Information for Further Support

For further inquiries regarding safety, installation, or product performance, please refer to your retailer or the manufacturer's website for support resources.

By following these guidelines, you can ensure the safe and effective use of your TCOMP Compensator. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
