[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Experience the fastest resetting trigger on the market when you add the I.T.T.S. aka Improved Tyrant Trigger System for the Glock 43, 43x, 48 to your arsenal. This powerful trigger for the compact frame Glock platforms is equipped with high-performing features, making for an ultra-effective tool with a greater level of efficiency and precision than other standard carry triggers.

**Aggressive Trigger Resets** Launch a rapid-fire session at any time with the Glock 43/43x/48 compatible trigger's superior trigger resets. The I.T.T.S. is armed with a 30 percent power spring to ensure lightning-fast resets after every shot. When this power spring is in use, the trigger and the sear become re-engaged and you can fire the pistol again with full force. Overall, the I.T.T.S. boasts a stronger reset over other standard triggers, making it one of the best performing Glock triggers that you can find. Optimize every shot you take with the precision, efficiency and durability of the I.T.T.S. Trigger for the Glock 43, 43x, or 48.

**Flat Faced Trigger Features** Get the most out of your Glock 43, 43x, 48 trigger with this high-performing hybrid model. The Tyrant Designs CNC I.T.T.S. is a cross between a curved trigger and a flat faced trigger, letting you enjoy the best of both worlds. With help from flat faced features, their Glock trigger helps ensure a uniform trigger pull with every shot.

**Curved Trigger Features** Reap the benefits of a curved trigger along with a flat faced trigger when you use their Glock compatible trigger. This trigger is intentionally designed with some of the best elements of a curved trigger to make every shot as efficient and direct as possible. One of the most notable benefits of the I.T.T.S. ergonomic design. Because this Glock compatible trigger is highly influenced by the setup of a curved trigger, the trigger's lip has an enhanced curve feature that helps create consistency on initial and follow up shots. Additionally, you have the opportunity to benefit from the comfortable, intuitive setup of the I.T.T.S. The curved features of this product allow for a taller trigger, which helps provide a greater sense of comfort for users with larger hands.

**High Durability** Enjoy your Glock 43 / 43x / 48 trigger for years to come with help from its highly durable design. Every feature of this product is built to ensure that it lasts for an extended period of time, even with continued use. The I.T.T.S. is also made with set screws in lieu of pins to boost the strength and sturdiness of the trigger. Not only do these screws improve the overall performance of the product, but they also simplify every step of the maintenance process for optimal ease of use.

**Platform:**  
Glock Designed For Models: G43, G43X, G48  
Glock Generation: Generation 3, Generation 4, Generation 5, Crossover

# Safety Instruction Guide for ADJUSTABLE TRIGGER WITH TRIGGER BAR FOR GLOCK® TYRANT CNC ITTS TRIGGER FOR GLOCK 43/43X/48 GLD/BLK SCREW

## Introduction

Thank you for choosing the Adjustable Trigger with Trigger Bar for Glock® Tyrant CNC ITTS Trigger for Glock 43/43X/48. This product is designed to enhance the performance of your Glock firearm. It is essential to read and understand this safety instruction guide to ensure safe and effective use of the trigger.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock firearm before installing the trigger.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Do not engage in reckless behavior when handling firearms.
- Store the trigger and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- If you experience any issues with the trigger, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- **Compatibility:** This trigger is specifically designed for Glock models G43, G43X, and G48. Do not attempt to use it with other models.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunction.
- **Trigger Pull:** The I.T.T.S. trigger features a unique reset mechanism. Be aware of the trigger pull weight and practice accordingly.
- **Environmental Conditions:** Avoid using the firearm in adverse weather conditions that may affect the trigger's performance.
- **Maintenance:** Regularly clean and maintain the trigger according to the manufacturer's guidelines to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the Glock according to the manufacturer's instructions.
- Remove the existing trigger and trigger bar.
- Install the Adjustable Trigger with Trigger Bar by following these steps:
  - Align the trigger bar with the sear.
  - Secure the trigger in place using the provided screws.
  - Ensure all components are properly seated and tightened.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 2. Usage:

- Before firing, confirm that the trigger is functioning correctly.

- Practice dry firing in a safe environment to become familiar with the trigger's reset and pull characteristics.
- Always wear appropriate eye and ear protection when shooting.
- After each use, clean the trigger and firearm to maintain performance and longevity.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and firearm components.
- Do not dispose of the trigger in general household waste. Contact a local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Adjustable Trigger with Trigger Bar for Glock® Tyrant CNC ITTS Trigger, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure a safer and more enjoyable experience with your Adjustable Trigger for Glock firearms. Always prioritize safety and responsibility when handling firearms.
