

# ADJUSTABLE TRIGGER FOR GLOCK® - TYRANT CNC ITTS TRIGGER FOR GLOCK 43/43X/48 GLD/GLD SCREW

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Experience the fastest resetting trigger on the market when you add the I.T.T.S. aka Improved Tyrant Trigger System for the Glock 43, 43x, 48 to your arsenal. This powerful trigger for the compact frame Glock platforms is equipped with high-performing features, making for an ultra-effective tool with a greater level of efficiency and precision than other standard carry triggers.

**Aggressive Trigger Resets** Launch a rapid-fire session at any time with the Glock 43/43x/48 compatible trigger's superior trigger resets. The I.T.T.S. is armed with a 30 percent power spring to ensure lightning-fast resets after every shot. When this power spring is in use, the trigger and the sear become re-engaged and you can fire the pistol again with full force. Overall, the I.T.T.S. boasts a stronger reset over other standard triggers, making it one of the best performing Glock triggers that you can find. Optimize every shot you take with the precision, efficiency and durability of the I.T.T.S. Trigger for the Glock 43, 43x, or 48.

**Flat Faced Trigger Features** Get the most out of your Glock 43, 43x, 48 trigger with this high-performing hybrid model. The Tyrant Designs CNC I.T.T.S. is a cross between a curved trigger and a flat faced trigger, letting you enjoy the best of both worlds. With help from flat faced features, their Glock trigger helps ensure a uniform trigger pull with every shot.

**Curved Trigger Features** Reap the benefits of a curved trigger along with a flat faced trigger when you use their Glock compatible trigger. This trigger is intentionally designed with some of the best elements of a curved trigger to make every shot as efficient and direct as possible. One of the most notable benefits of the I.T.T.S. ergonomic design. Because this Glock compatible trigger is highly influenced by the setup of a curved trigger, the trigger's lip has an enhanced curve feature that helps create consistency on initial and follow up shots. Additionally, you have the opportunity to benefit from the comfortable, intuitive setup of the I.T.T.S. The curved features of this product allow for a taller trigger, which helps provide a greater sense of comfort for users with larger hands.

**High Durability** Enjoy your Glock 43 / 43x / 48 trigger for years to come with help from its highly durable design. Every feature of this product is built to ensure that it lasts for an extended period of time, even with continued use. The I.T.T.S. is also made with set screws in lieu of pins to boost the strength and sturdiness of the trigger. Not only do these screws improve the overall performance of the product, but they also simplify every step of the maintenance process for optimal ease of use.

**Platform:** Glock Designed For Models: G43, G43X, G48  
**Glock Generation:** Generation 3, Generation 4, Generation 5, Crossover

## Attributes

- Name: [TYRANT CNC ITTS TRIGGER FOR GLOCK 43/43X/48 GLD/GLD SCREW](#)

# Safety Instruction Guide for the Adjustable Trigger with Trigger Bar for Glock® Tyrant CNC ITTS Trigger

## Introduction

Thank you for choosing the Adjustable Trigger with Trigger Bar for Glock® Tyrant CNC ITTS Trigger for Glock 43/43X/48. This product is designed to enhance your shooting experience with improved efficiency and precision. However, safety is paramount. Please read this guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the trigger is not engaged when handling the firearm.
- Store the trigger and firearm securely when not in use to prevent unauthorized access, especially by children.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- **Trigger Reset:** The I.T.T.S. trigger features rapid resets. Ensure you are familiar with the trigger function before use to avoid accidental discharges.
- **Installation:** Only install the trigger if you have experience with firearm modifications. If unsure, consult a qualified gunsmith.
- **Age Restrictions:** This product is intended for use by individuals 18 years or older. Ensure that all users are trained and capable of handling firearms safely.
- **Environmental Conditions:** Avoid using the trigger in extreme weather conditions that may affect performance, such as heavy rain or extreme heat.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the magazine is removed.
- Gather necessary tools, including screwdrivers and a torque wrench.

### 2. Installation:

- Remove the factory trigger from your Glock 43/43X/48 following the manufacturer's instructions.
- Carefully install the I.T.T.S. trigger using the provided set screws. Ensure that all screws are tightened securely but do not overtighten.
- Check the alignment of the trigger and ensure it operates smoothly without obstruction.

### 3. Usage:

- Before using the firearm, practice with the trigger in a safe environment to familiarize yourself with its functionality.
- Maintain a firm grip on the firearm and ensure proper stance when firing.
- After each shot, allow the trigger to reset fully before firing again to maximize performance.

## **Disposal Instructions**

- Dispose of the trigger in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer in use, ensure that it is disposed of safely to prevent misuse.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the Adjustable Trigger with Trigger Bar for Glock® Tyrant CNC ITTS Trigger, please reach out to the manufacturer or a qualified professional.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Adjustable Trigger. Always prioritize safety and responsible use.
