

# MAGWELL FOR GLOCK® 43X/48 - TYRANT CNC MAGWELL FOR GLOCK 43X/48 GOLD

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Glock 43x/48 Magwell from Tyrant Designs. Made of 6061 aluminum, and sporting a patent-pending design for the method of attachment, these carefully designed magwells make it so easy that with just a little practice you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Works with S15 magazine AND most aftermarket extensions! Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time-lapse between magazine changes. The enhanced ergonomics of their Glock 43x/48 Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell attaches using an expanding rubber grommet. This grommet goes inside the small opening inside the bottom of your Glock 43x/48. A few twists of the provided screw and the magwell is on secure, and will remain so over time! The magwell itself flairs out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Their Glock magwells for the Glock 43x/48 line also improve magazine change consistency. Designed to improve reloads Made of high-quality aluminum, these Glock 43x/48 Magwells provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of ramp and edge geometry. Magwells made to fit Glock 43x and Glock 48 Designed to work on all, these Glock Magwells offer the tightest fit in the industry. Their Glock magwell is specifically made for the 43x/48 Model and has a patented method for attachment. Perfect for everyday carry The design of these Glock Magwells allows them to be perfect for competition, yet still sleek enough for every day. Because of the high-quality aluminum used, they add little bulk, which means they can still be used for concealed carry. The ergonomic design on these magwells for the Glock 43x/48 also means very little imprinting on your clothes so no one will ever know you are carrying unless you want them to. If you want to ramp up your magazine change speed, cut down on fumbles, or improve your overall consistency, these Glock Magwells are the way to go. You'll never worry about those precious seconds spent making magazine change again."

## Attributes

- Name: [TYRANT CNC MAGWELL FOR GLOCK 43X/48 GOLD](#)
- Manufacturer: [TYRANT CNC](#)

- Product no.: 430109426
- Mfr. No.: TD-G48MW-GOLD
- Finish: Gold
- Model: 48,43X
- Weapon type: Glock
- Delivery weight: 0.018kg
- Shipping height: 102mm
- Shipping width: 19mm
- Shipping length: 114mm

## **Item details**

US export classification: 0A501.y.1

# Safety Instruction Guide for MAGWELL FOR GLOCK® 43X/48 TYRANT CNC MAGWELL FOR GLOCK 43X/48 GOLD

## Introduction

Thank you for choosing the MAGWELL FOR GLOCK® 43X/48 TYRANT CNC MAGWELL. This guide provides essential safety instructions to ensure the safe use and handling of the product. It is important to read and understand these guidelines before using the magwell to enhance your experience and maintain safety.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all applicable safety rules.
- Keep the magwell and all related components out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or product issues to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or removing the magwell.
- Do not attempt to install or remove the magwell while the firearm is loaded.
- Follow the manufacturer's instructions carefully during installation and usage.
- Avoid using excessive force when installing or adjusting the magwell.
- Be aware of your surroundings and ensure a safe environment when practicing magazine changes.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Firearm:

- Ensure the Glock 43X/48 is unloaded and pointed in a safe direction.

#### 2. Locate the Grommet:

- Identify the small opening at the bottom of your Glock 43X/48 grip.

#### 3. Insert the Grommet:

- Place the expanding rubber grommet inside the opening.

#### 4. Attach the Magwell:

- Align the magwell with the grommet and secure it by twisting the provided screw until snug. Ensure it is firmly attached but do not overtighten.

#### 5. Check Security:

- Gently tug on the magwell to confirm it is securely in place.

## **Usage**

- Practice magazine changes in a safe environment to become familiar with the magwell's functionality.
- Use the magwell to guide the magazine into the firearm, ensuring smooth and efficient reloading.
- Monitor your reloading speed and comfort level during practice sessions.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local regulations.
- If the magwell is no longer usable, dispose of it in accordance with local waste management guidelines. Recycle materials when possible.

## **Contact Information for Further Support**

For any inquiries or support regarding the MAGWELL FOR GLOCK® 43X/48 TYRANT CNC MAGWELL, please refer to the manufacturer's website or customer service resources.

By following these safety guidelines, you can ensure a safe and efficient experience with your MAGWELL FOR GLOCK® 43X/48 TYRANT CNC MAGWELL. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
