

EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4 - TYRANT CNC EXTENDED SLIDE RELEASE FOR GLOCK GEN 2-4 GRAY

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Introducing the first-ever Glock Extended Slide Release to be CNC Machined! Made from 6061 Aluminum and hard coat anodized their drop-in replacement Glock slide stop is the perfect upgrade for your pistol. Their Glock extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Glock slide release! What is it? This drop-in replacement Glock extended slide stop release lever has a surface area extended over the OEM size. It arrives fully assembled with spring and is offered for multiple Glock models. Why use it? One of the main flaws of the Glock Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. Their Glock slide release offers an extended AND raised surface area to ensure easy manipulation of the Glock slide. It is easy to install, functions great, and looks fantastic! For Generation: Gen 2-4 For Gun Model: 17 (non-2-pin version) 19 22 23 24 25 27 31 32 33 34 35 Caliber: 9MM, .357 *DOES NOT WORK WITH 10-ROUND MAGAZINES FOR GLOCK 17/19*

Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4 TYRANT CNC

Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4 by TYRANT CNC. This product is designed to enhance the usability of your Glock pistol. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the slide release.
- Always handle firearms with care and follow standard safety practices.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating the firearm.
- Store this product and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the slide release for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- This product is designed for Glock models 17 (non2pin version), 19, 22, 23, 24, 25, 27, 31, 32, 33, 34, and 35.
- The slide release is compatible with 9MM and .357 calibers. It does not work with 10round magazines for Glock 17/19.
- Avoid using excessive force when manipulating the slide release to prevent damage.
- Ensure that the slide release is properly installed before using the firearm.
- Use this product only for its intended purpose as a slide release for Glock pistols.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing slide release lever from your Glock by following the manufacturer's instructions.
- Insert the TYRANT CNC Extended Slide Release into the designated slot.
- Ensure it is fully seated and secured in place.
- Replace any necessary components, such as springs, if applicable.
- Test the functionality of the slide release to ensure it operates smoothly.

2. Usage Steps:

- To operate the slide release, ensure a firm grip on the firearm.
- Use your thumb to engage the slide release, ensuring that you have a good grip to prevent slipping.
- Always check that the slide has locked back properly after releasing it.

Disposal Instructions

- Dispose of this product in accordance with local regulations for metal recycling or electronic waste.
- Ensure that any parts that are no longer usable are discarded in a safe manner to avoid injury.

Contact Information for Further Support

For any questions or concerns regarding the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4, please contact the manufacturer or your local dealer. Ensure that you have your product information available for reference.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
