

# **EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4 - TYRANT CNC EXTENDED SLIDE RELEASE FOR GLOCK GEN 2-4 GOLD**

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Introducing the first-ever Glock Extended Slide Release to be CNC Machined! Made from 6061 Aluminum and hard coat anodized their drop-in replacement Glock slide stop is the perfect upgrade for your pistol. Their Glock extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Glock slide release! What is it? This drop-in replacement Glock extended slide stop release lever has a surface area extended over the OEM size. It arrives fully assembled with spring and is offered for multiple Glock models. Why use it? One of the main flaws of the Glock Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. Their Glock slide release offers an extended AND raised surface area to ensure easy manipulation of the Glock slide. It is easy to install, functions great, and looks fantastic! For Generation: Gen 2-4 For Gun Model: 17 (non-2-pin version) 19 22 23 24 25 27 31 32 33 34 35 Caliber: 9MM, .357 \*DOES NOT WORK WITH 10-ROUND MAGAZINES FOR GLOCK 17/19\*

# Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4 TYRANT CNC EXTENDED SLIDE RELEASE FOR GLOCK GEN 24 GOLD

## Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4. This product is designed to enhance the usability of your Glock pistol by providing a larger and textured surface for slide release operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- This product is not a toy and should be kept out of reach of children.
- Regularly inspect the product for wear or damage before use.
- Always handle firearms with care, following all safety protocols.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Do not use the slide release if it appears damaged or does not operate smoothly.
- Avoid using excessive force when manipulating the slide release to prevent injury.
- Always wear appropriate eye protection when handling firearms.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating the firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and safe to handle.
2. **Remove the OEM Slide Release:**
  - Use a suitable tool to carefully remove the original slide release from the firearm.
  - Keep all components in a safe place for potential future use.
3. **Install the Extended Slide Release:**
  - Align the new extended slide release with the mounting point.
  - Gently push it into place until it is securely fitted.
4. **Reassemble the Firearm:** Follow the manufacturer's guidelines to reassemble your firearm.
5. **Test Functionality:** After installation, ensure the slide release operates smoothly. If it does not, recheck the installation.

### Usage Instructions

- To operate the extended slide release, apply pressure with your thumb to release the slide.
- Practice using the slide release in a safe environment to become familiar with its operation.
- Always ensure that your firearm is pointed in a safe direction when manipulating the slide release.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 2/GEN 3/GEN 4, please refer to the manufacturer's website or customer service for assistance.

Please ensure that you keep this safety instruction guide for future reference. Your safety and the safety of those around you is paramount when handling firearms and accessories.
