## **EXTENDED SLIDE RELEASE FOR GLOCK 42/43/43X/48 GOLD**

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Introducing the first-ever Glock Extended Slide Release to be CNC Machined! Made from 6061 Aluminum and hard coat anodized their drop-in replacement Glock slide stop is the perfect upgrade for your pistol. Their Glock extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Glock slide release! What is it? This drop-in replacement Glock extended slide stop release lever has a surface area extended over the OEM size. It arrives fully assembled with spring and is offered for multiple Glock models. Why use it? One of the main flaws of the Glock Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. Their Glock slide release offers an extended AND raised surface area to ensure easy manipulation of the Glock slide. It is easy to install, functions great, and looks fantastic! For Generation: All For Gun Model: 42 43 43x 48 Caliber: 9mm Disclaimer: When using a relatively new and fully loaded magazine ensure you are using adequate force when loading the magazine in order to maintain the proper function of this ESR. We always recommend taking the slide out of battery with your hand.

### **Attributes**

- Name: [TYRANT CNC EXTENDED SLIDE RELEASE FOR GLOCK 42/43/43X/48 GOLD](#)

# Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR GLOCK® 43/43X/48 TYRANT CNC

## Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE FOR GLOCK® 43/43X/48 by TYRANT CNC. This product is designed to enhance the usability and functionality of your Glock pistol. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions and guidelines provided.
- Always treat firearms and firearm accessories with respect and caution.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Be aware of local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Before installing or using the extended slide release, ensure the firearm is unloaded and pointed in a safe direction.
- Be cautious when handling loaded magazines; ensure you are using adequate force to avoid slipping.
- Always take the slide out of battery with your hand to prevent accidental discharge.
- Avoid using the product if you notice any defects or irregularities.
- If you experience any difficulties while using the slide release, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Remove the existing slide release lever from your Glock by following the manufacturer's instructions.
- Take the TYRANT CNC extended slide release and align it with the mounting area.
- Press it into place until it is securely fitted.
- Ensure the lever moves freely and is functioning properly before using the firearm.

### 2. Usage Instructions:

- When using the extended slide release, ensure your thumb is positioned correctly to avoid slipping.
- Practice manipulating the slide release with the firearm unloaded to become familiar with its operation.
- During live use, maintain a firm grip on the firearm to ensure control while operating the slide release.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Ensure that the product is disposed of in a manner that prevents it from being accessible to children or unauthorized users.

## **Contact Information for Further Support**

For any inquiries regarding safety or functionality, please refer to the product packaging or the manufacturer's website for contact information.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the EXTENDED SLIDE RELEASE FOR GLOCK® 43/43X/48. Always stay informed about safety practices and be proactive in maintaining your firearm and accessories. Thank you for your attention to these important safety instructions.
