

# EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5 - TYRANT CNC

## EXTENDED SLIDE RELEASE FOR GLOCK GEN 5 BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Introducing the first-ever Glock Extended Slide Release to be CNC Machined! Made from 6061 Aluminum and hard coat anodized their drop-in replacement Glock slide stop is the perfect upgrade for your pistol. Their Glock extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Glock slide release! What is it? This drop-in replacement Glock extended slide stop release lever has a surface area extended over the OEM size. It arrives fully assembled with spring and is offered for multiple Glock models. Why use it? One of the main flaws of the Glock Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. Their Glock slide release offers an extended AND raised surface area to ensure easy manipulation of the Glock slide. It is easy to install, functions great, and looks fantastic! For Generation: Gen 5 For Gun Model:17 19 19X 26 34 45 Caliber: 9mm"

# Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5

## Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5 by TYRANT CNC. This guide provides important safety information, installation instructions, and guidelines for the proper use of this product. Please read this guide carefully to ensure safe and effective operation.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded before installing or handling the slide release.
- Use protective eyewear and hearing protection when handling firearms.
- Keep the slide release out of reach of children and unauthorized users.
- Regularly inspect the slide release for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure compatibility with your Glock model (17, 19, 19X, 26, 34, 45).
- Do not attempt to modify the slide release beyond the manufacturer's specifications.
- Always follow the manufacturer's instructions when installing the slide release.
- Avoid using excessive force when manipulating the slide release.
- Be aware of the increased surface area and texture; practice using the slide release to become familiar with its operation.
- If you experience any issues during use, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory slide release by following the manufacturer's guidelines.
- Take the new extended slide release and align it with the installation point.
- Insert the new slide release into place, ensuring it is fully seated.
- Reattach any components removed during the installation process.
- Test the functionality of the slide release by cycling the slide to ensure proper operation.

### 2. Usage:

- To release the slide, press the extended slide release with your thumb while holding the firearm in a safe position.
- Practice using the slide release to familiarize yourself with its operation and ensure a smooth experience.
- Always verify that the firearm is functioning properly after installation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged, contact the manufacturer for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new extended slide release. Thank you for your commitment to safety.
