

EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5 - TYRANT CNC

EXTENDED SLIDE RELEASE FOR GLOCK GEN 5 GRAY

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Introducing the first-ever Glock Extended Slide Release to be CNC Machined! Made from 6061 Aluminum and hard coat anodized their drop-in replacement Glock slide stop is the perfect upgrade for your pistol. Their Glock extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Glock slide release! What is it? This drop-in replacement Glock extended slide stop release lever has a surface area extended over the OEM size. It arrives fully assembled with spring and is offered for multiple Glock models. Why use it? One of the main flaws of the Glock Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. Their Glock slide release offers an extended AND raised surface area to ensure easy manipulation of the Glock slide. It is easy to install, functions great, and looks fantastic! For Generation: Gen 5 For Gun Model:17 19 19X 26 34 45 Caliber: 9mm"

Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5

Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5 by TYRANT CNC. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the slide release.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the slide release.
- Keep the slide release out of reach of children and unauthorized users.
- Inspect the slide release for any visible damage before installation. Do not use if damaged.
- Use the slide release only with compatible Glock models (17, 19, 19X, 26, 34, 45 Gen 5).
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- When manipulating the slide release, ensure your fingers are positioned away from the ejection port and trigger.
- Avoid using excessive force when operating the slide release to prevent injury or damage to the firearm.
- Regularly check the slide release for signs of wear or loosening. Replace if necessary.
- Do not attempt to modify or alter the slide release in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a small punch and a hammer.

2. Installation Steps:

- Remove the factory slide release lever by pushing out the retaining pin with a punch.
- Carefully detach the old slide release from the slide stop.
- Align the new EXTENDED SLIDE RELEASE with the slide stop and press it into place.
- Insert the retaining pin back into the slide stop to secure the new slide release.
- Ensure the slide release is fully seated and functioning correctly before use.

3. Usage:

- To use the slide release, simply press down on the extended portion with your thumb.
- Practice operating the slide release in a safe environment to become familiar with its functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the slide release in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5, please refer to the manufacturer's contact information provided with the product packaging. You can also check the EU's Safety Gate platform for updates on product safety and recalls.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
