

# **EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5 - TYRANT CNC**

## **EXTENDED SLIDE RELEASE FOR GLOCK GEN 5 GOLD**

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Introducing the first-ever Glock Extended Slide Release to be CNC Machined! Made from 6061 Aluminum and hard coat anodized their drop-in replacement Glock slide stop is the perfect upgrade for your pistol. Their Glock extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Glock slide release! What is it? This drop-in replacement Glock extended slide stop release lever has a surface area extended over the OEM size. It arrives fully assembled with spring and is offered for multiple Glock models. Why use it? One of the main flaws of the Glock Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. Their Glock slide release offers an extended AND raised surface area to ensure easy manipulation of the Glock slide. It is easy to install, functions great, and looks fantastic! For Generation: Gen 5 For Gun Model:17 19 19X 26 34 45 Caliber: 9mm"

### **Attributes**

# Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5

## Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5 by TYRANT CNC. This product is designed to enhance the usability of your Glock pistol, providing a more ergonomic and efficient experience. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your specific Glock model (17, 19, 19X, 26, 34, 45).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the slide release for any damage before installation. Do not use if damaged.
- Always keep firearms pointed in a safe direction when handling.
- Keep firearms unloaded when not in use.
- Store the product and firearms in a secure location, away from children and unauthorized users.

## Specific Safety Precautions for Use

- Always wear safety glasses when installing or handling firearm components.
- Ensure the firearm is completely unloaded before attempting to install the slide release.
- Do not attempt to modify the slide release or any firearm components beyond the manufacturer's specifications.
- If you experience any difficulties during installation or use, consult a qualified gunsmith.
- Be aware that using an extended slide release may change the way you handle your firearm. Practice safe handling techniques to adapt to the new component.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Prepare Your Firearm:

- Ensure the firearm is unloaded. Remove the magazine and check the chamber.

#### 2. Remove the Existing Slide Release:

- Use a punch tool to carefully push out the pin holding the OEM slide release in place.
- Remove the OEM slide release and set it aside.

#### 3. Install the Extended Slide Release:

- Position the new extended slide release in place.
- Align the holes and insert the retaining pin to secure the slide release.
- Ensure it is properly seated and functions correctly.

#### 4. Test the Installation:

- After installation, perform a function check to ensure the slide release operates smoothly.
- Practice operating the slide release with the firearm unloaded to become familiar with the new feel.

## Usage Tips

- Familiarize yourself with the extended surface area and raised texture of the slide release to prevent slipping during operation.
- Practice using the slide release in a controlled environment to ensure comfort and safety.

## Disposal Instructions

- Dispose of any old or unused firearm components in accordance with local regulations.
- Do not discard in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer's website or contact their customer support. Ensure that you have your product information available for assistance.

By following these safety instructions, you can ensure the safe and effective use of your EXTENDED SLIDE RELEASE FOR GLOCK® GEN 5. Thank you for prioritizing safety and responsible firearm handling.
