UXR Magwell Assembly Safety Instruction Guide

Introduction

Thank you for choosing the UXR Magwell Assembly from Primary Weapons System. This product is designed with safety and versatility in mind, allowing you to customize your rifle for various calibers. Please read this safety instruction guide carefully to ensure the safe use and maintenance of your UXR Magwell Assembly.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling or using your firearm.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Store the UXR Magwell Assembly and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage.

Specific Safety Precautions for Use

- **Ambidextrous Design:** The UXR Magwell Assembly is designed for both left and righthanded users. Ensure that you are familiar with the controls and operation from your preferred side.
- **Caliber Compatibility:** Only use magazines and ammunition that are compatible with the caliber you are using. Refer to the product specifications for details on compatible calibers.
- **Installation of Components:** When changing the barrel, magwell, or bolt, ensure that the firearm is unloaded and pointed in a safe direction. Follow the installation instructions carefully to avoid improper assembly.
- **Regular Maintenance:** Keep the magwell and all components clean and free from debris. Regular maintenance will ensure optimal performance and safety.

Instructions for Installation and Usage

1. Unloading the Firearm:

- Ensure that the firearm is completely unloaded before beginning installation. Check the chamber, magazine, and any additional compartments.

2. Installing the Magwell:

- Align the UXR Magwell Assembly with the designated area on your firearm.
- Secure the magwell in place according to the manufacturer's instructions, ensuring all connections are tight and secure.

3. Changing Calibers:

- To change calibers, remove the existing barrel, magwell, and bolt as per the installation instructions.
- Replace them with the appropriate components for the desired caliber.
- Ensure all components are properly secured before use.

4. Testing the Assembly:

- After installation, conduct a function check to ensure that the magwell and firearm operate correctly.

- Test the firearm in a controlled environment to confirm compatibility with the selected caliber and magazine.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the UXR Magwell Assembly or any components become damaged or unusable, follow local guidelines for the disposal of firearm components.
- Do not dispose of firearms or firearm components in regular household waste.
